

ICEE-10

INTERNATIONAL CONFERENCE ON
CHEMICAL AND ENVIRONMENTAL ENGINEERING
7-9 APRIL 2020

Those interested in presenting scientific papers are invited to submit an extended abstract by October 1, 2019, via online registration. The abstract should include the paper title, full name, affiliation, address, telephone/fax number and E-mail of the author(s). The authors will be notified of acceptance of their abstracts and guidelines for preparing manuscripts by November 1, 2019. Complete manuscripts should be submitted by December 1, 2019. The manuscripts will be reviewed by the Scientific Committee of the conference. Papers that may require revisions should be re-submitted before February 1, 2020.

CONFERENCE TOPICS

- 1- Kinetics & Catalysis
- 2- Transport Phenomena & Thermodynamics
- 3- Electrochemical Engineering & Corrosion
- 4- Chemical and Ceramic Technology
- 5- Techniques of Chemical Detection and Analysis
- 6- Polymeric Materials
- 7- Nanotechnology and Chemical applications
- 8- Pollution and Environmental Protection
- 9- Energetic Material Technology
- 10- NBC Protection

EXHIBITION

Organizations and individuals are invited to display their state-of-the-art technological products during the conference period. Secured indoor and outdoor areas are available. Interested organizations are requested to fill in and mail the included registration form of the conference.

SEMINARS AND INVITED LECTURES

The conference program will include invited lectures and seminars covering the state-of-the-art achievements. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

REGISTRATION FEES

	Registration	Indoor exhibition	Outdoor exhibition
Residents	1,000 EGP	4,000 EGP / 12 m ²	100 EGP/m ²
Internationals	400 USD	4,000 USD / 12 m ²	100 USD/m ²

* Fees applies for single attendant and/or single article submission

** Exhibition fees include two free registrations to attend the conference. The fees cover the reception, lunches, coffee breaks and the conference proceeding. Fees are payable to the Military Technical College, Cairo.

Prospective authors are required to submit their manuscripts electronically. It is important to ensure that when you submit your paper, it is in its final form ready for publication, and has been thoroughly proofread. IOP do not copy edit or reformat papers and will not send out author proofs prior to publication. Post-publication changes are not permitted, so please ensure that your paper has been checked for errors.

CONFERENCE VENUE

ICEE10 will take place at the Military Technical College in Cairo (MTC).

ICMEP-10

INTERNATIONAL CONFERENCE ON
MATHEMATICS AND ENGINEERING PHYSICS
7-9 APRIL 2020

Those interested in presenting scientific papers are invited to submit an extended abstract by October 1, 2019, via online registration. The abstract should include the paper title, full name, affiliation, address, telephone/fax number and E-mail of the author(s). The authors will be notified of acceptance of their abstracts and guidelines for preparing manuscripts by November 1, 2019. Complete manuscripts should be submitted by December 1, 2019. The manuscripts will be reviewed by the Scientific Committee of the conference. Papers that may require revisions should be re-submitted before February 1, 2020.

CONFERENCE TOPICS

- 1- Numerical Analysis
- 2- Differential Equations
- 3- Algebra
- 4- Probability and Statistics
- 5- Operations Research
- 6- Fuzzy Mathematics
- 7- Modeling and Simulation
- 8- Artificial Intelligence
- 9- Plasma and Laser
- 10- Engineering Optics
- 11- Solid State and Renewable Energy
- 12- Semiconductors
- 13- Atomic and Nuclear Physics
- 14- Acoustics and Ultrasonic
- 15- Theoretical Physics and Relativity

EXHIBITION

Organizations and individuals are invited to display their state-of-the-art technological products during the conference period. Secured indoor and outdoor areas are available. Interested organizations are requested to fill in and mail the included registration form of the conference.

SEMINARS AND INVITED LECTURES

The conference program will include invited lectures and seminars covering the state-of-the-art achievements. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

CALL FOR PAPERS

ICEENG-12

INTERNATIONAL CONFERENCE ON ELECTRICAL ENGINEERING

7-9 APRIL 2020

Those interested in presenting scientific papers are invited to submit an extended abstract by October 1, 2019, via online registration. The abstract should include the paper title, full name, affiliation, address, telephone/fax number and E-mail of the author(s). The authors will be notified of acceptance of their abstracts and guidelines for preparing manuscripts by November 1, 2019. Complete manuscripts should be submitted by December 1, 2019. The manuscripts will be reviewed by the Scientific Committee of the conference. Papers that may require revisions should be re-submitted before February 1, 2020.

CONFERENCE TOPICS

- 1- Communication and Networks
- 2- Computer and Software Techniques
- 3- Guidance, Navigation, and Control
- 4- Radar Systems
- 5- Circuits and Systems
- 6- Signal Theory and Signal Processing
- 7- Remote Sensing and Avionics
- 8- Power and Energy Circuits and Systems
- 9- Biomedical Engineering

EXHIBITION

Organizations and individuals are invited to display their state-of-the-art technological products during the conference period. Secured indoor and outdoor areas are available. Interested organizations are requested to fill in and mail the included registration form of the conference.

SEMINARS AND INVITED LECTURES

The conference program will include invited lectures and seminars covering the state-of-the-art achievements in electrical engineering fields. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

REGISTRATION FEES

	IEEE member	Non IEEE member	Indoor exhibition	Outdoor exhibition
Residents	1,000 EGP	1,200 EGP	4,000 EGP / 12 m ²	100 EGP/m ²
Internationals	450 USD	500 USD	4,000 USD / 12 m ²	100 USD/m ²

* Fees applies for single attendant and/or single article submission

** Exhibition fees include two free registrations to attend the conference. The fees cover the reception, lunches, coffee breaks and the conference proceeding. Fees are payable to the Military Technical College, Cairo.

Prospective authors are required to submit their manuscripts electronically. Submitted papers shall not exceed six pages as a PDF file in IEEE two column format. Please use the templates at Manuscript Templates for Conference Proceedings available from the conference website to prepare your paper.

All presented papers will be published by the IEEE and the conference proceedings will be submitted to the IEEE Xplore® digital library.

CALL FOR PAPERS

ICCAE-13

INTERNATIONAL CONFERENCE ON
CIVIL AND ARCHITECTURE ENGINEERING
7-9 APRIL 2020

Those interested in presenting scientific papers are invited to submit an extended abstract by October 1, 2019, via online registration. The abstract should include the paper title, full name, affiliation, address, telephone/fax number and E-mail of the author(s). The authors will be notified of acceptance of their abstracts and guidelines for preparing manuscripts by November 1, 2019. Complete manuscripts should be submitted by December 1, 2019. The manuscripts will be reviewed by the Scientific Committee of the conference. Papers that may require revisions should be re-submitted before February 1, 2020.

CONFERENCE TOPICS

- 1- Concrete Structures
- 2- Geotechnical Engineering
- 3- Material Quality and Control
- 4- Metallic Structures
- 5- Project Management
- 6- Sanitary Engineering
- 7- Structural Analysis and Design
- 8- Structure Dynamics
- 9- Surveying and Photogrammetry
- 10- Transportation Engineering
- 11- Water Resources Engineering
- 12- Architectural Engineering
- 13- Building Technology
- 14- Environmental Engineering
- 15- Urban Planning

EXHIBITION

Organizations and individuals are invited to display their state-of-the-art technological products during the conference period. Secured indoor and outdoor areas are available. Interested organizations are requested to fill in and mail the included registration form of the conference.

SEMINARS AND INVITED LECTURES

The conference program will include invited lectures and seminars covering the state-of-the-art achievements. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

CALL FOR PAPERS

AMME-19

INTERNATIONAL CONFERENCE ON
APPLIED MECHANICS AND MECHANICAL ENGINEERING
7-9 APRIL 2020

Those interested in presenting scientific papers are invited to submit an extended abstract by October 1, 2019, via online registration. The abstract should include the paper title, full name, affiliation, address, telephone/fax number and E-mail of the author(s). The authors will be notified of acceptance of their abstracts and guidelines for preparing manuscripts by November 1, 2019. Complete manuscripts should be submitted by December 1, 2019. The manuscripts will be reviewed by the Scientific Committee of the conference. Papers that may require revisions should be re-submitted before February 1, 2020.

CONFERENCE TOPICS

- 1- Mechanical Power Engineering
- 2- Robotic, Automation and Control
- 3- Dynamics and Vibration
- 4- Material Science and Processing
- 5- Production Technology
- 6- Solid Mechanics
- 7- Mechanical Design
- 8- Automotive Engineering
- 9- Mechatronics
- 10- Ballistics
- 11- Acoustics and Noise Control

EXHIBITION

Organizations and individuals are invited to display their state-of-the-art technological products during the conference period. Secured indoor and outdoor areas are available. Interested organizations are requested to fill in and mail the included registration form of the conference.

SEMINARS AND INVITED LECTURES

The conference program will include invited lectures and seminars covering the state-of-the-art achievements. Participating organizations will be allocated one-hour seminar, including 30 minutes presentation, followed by 30 minutes discussion.

THE 5th INTERNATIONAL UNDER-GRADUATE RESEARCH CONFERENCE

26th - 29th July, 2020

Cairo EGYPT 

IUGRC 2020
INNOVATION HAS HISTORY

Call For Papers

In order to motivate the spirit of innovation and scientific research among the engineering students, the Egyptian Ministry of Defense invites undergraduate students from engineering colleges all over the world to demonstrate their skills and innovative ideas in engineering sciences.

Important Dates

Abstract submission	May 1, 2020
Submission of manuscript	June 15, 2020
Opening session	July 26, 2020

English is the official conference language

Topics

Computer Engineering - Science
Aircraft and Aviation Systems
Communication Engineering
Electrical Power and Energy
Navigation and Localization
Mathematics, Physics, and Applied Mechanics
Biomedical Engineering
Chemical Engineering
Engineering Education
Material Science
Optics
Electronics and Electronic Systems
Data Communication and Security
Civil and Architecture Engineering
Robotics and Unmanned Systems
Embedded System Applications
Guidance and Control Systems
