ear Sir/Madam,  
Greetings for the day!

We are glad to inform that the Third symposium, "Wireless, Antenna and Microwave Symposium (WAMS)," will be held at Raghu Engineering College(A), Visakhapatnam, India, during (29<sup>th</sup> Feb 2024 -- 3<sup>rd</sup> March 2024).

Wireless, Antenna and Microwave Symposium (WAMS) is planned as a multidisciplinary symposium held annually in an academic institute. It is focused on providing an affordable yet state-of-the-art international forum for students, and young professionals to interact with the leading domain experts around the world. It is intended to provide a forum for sharing and exchange of information on the latest, cutting-edge research and scientific achievements in wireless, antennas, microwave engineering, and sciences along with establishing and strengthening professional networks. WAMS 2024 shall include a comprehensive range of technical sessions, keynotes, workshops, special sessions, student papers, poster sessions, and plenary sessions. The conference includes sessions on IEEE Young Professionals, Women in Engineering (WIE), and IEEE Student Activities. Many sponsors and exhibitors will be showcasing their products to the attendees and a host of awards and student travel rants will be given during the Symposium.

We Invite Original Papers relevant to the theme of the Conference falling into one of the following Tracks (but not limited to)

- Track-1 : Wireless
- Track-2 : Antennas
- Track-3 : RF and Microwave
