Information Technology Institute (ITI) is delighted to invite Academic Key players in the Field of Cybersecurity to join our 2nd Cyberday at our branch at knowledge city in the new administrative capital, "Fortinet Academy Meet &, Greet"

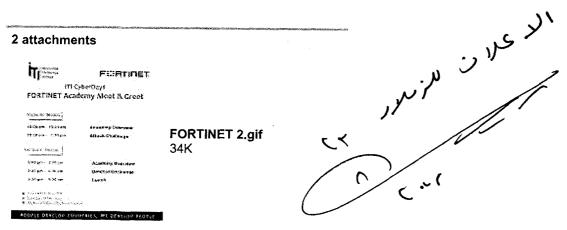

The first part of the Day will be dedicated to challenge learners with "Attack Challenge", while the rest of the day will be for Lecturers: Professors, teachers, teaching assistances, competing in a "Defense Challenge" A detailed agenda will be sent.

The Fortinet Academy provides certification and training in the growing field of cybersecurity. The program includes a wide range of self-paced, instructor-led, and virtual instructor-led training, as well as practical, experiential exercises that demonstrate mastery of complex network security concepts.

Academic institutes are welcomed to participate with 3 seats maximum, Lecturers' participating have to register with a valid e-mail, as it will be used to connect to Fortinet challenge portal.

Lecturers' Registration Link:
