

Diploma of Protection of Power Networks

D. General and Transferable Skills					C. Professional and Practical Skills				B. Intellectual Skills						A. Knowledge and Understanding								Aims								Code	Course Name					
d6	d5	d4	d3	d2	d1	c4	c3	c2	c1	b6	b5	b4	b3	b2	b1	a9	a8	a7	a6	a5	a4	a3	a2	a1	8	7	6	5	4	3			2	1			
	4				4	4		3		4					3	4		3			3		3											5541	Numerical Analysis and Programming		
8			6		4	468	3	3	4	68	4				3	46					3		37											5542	Power Engineering and networks		
6	4			24		6		4	2		2	6	4				6			6	4	2												5543	High voltage Technology		
		17		15		57	17				57		57	15								5	5	1											5544	Protection of power systems I	
57			5	25	5	2		7			257	27			5					57	57	5	25	257											5645	Power electronics	
6		1		12		6		1	21	6		126		2		6			6	16		12		1											5646	Transients in electrical networks	
57	157			15		57		17	157			17		57	15	5			57	157		15	157	1												5647	Protection of power systems II
35		135	358		5	35		135	1235		25		35		135	456		35	58			1235	1												5648	Independent Study
