

Master degree of Medical Biochemistry and Molecular Biology

Blueprint of Special topics of Medical Biochemistry & Molecular Biology Course (Master)

Course Code: (BIC504ST)

The total marks of this course are 150, divided as:

- Workplace-based assessment (30 marks)
- Written exam (120 marks), distributed as follows:

Course content	Teaching hours	Relative weight to the total marks	Total Marks	MCQ Marks	No of exam Q (MCQ)	Short essay questions Marks	No of exam Q (short essay questions)
Nutrition, Digestion & Absorption	10	16.67%	20	14		6	
Micronutrients: Vitamins & Minerals	10	16.67%	20	14		6	
Free Radicals & Antioxidant Nutrients	10	16.67%	20	14		6	
Metabolism of Xenobiotics	10	16.67%	20	14		6	
Muscle & the Cytoskeleton	10	16.67%	20	14		6	
Extracellular Matrix	10	16.67%	20	14		6	
Total	60	100%	120	84		36	

Head of Biochemistry & Molecular Biology Department
Prof. Fagr Bazeed
