

Personal information:

Full name: Amal Moustafa Elbendary Zoghbi
Date of birth: April 15, 1967
Place of birth: Mansoura, Dakahl governorate
Work: Professor of Ophthalmology
Nationality: Egyptian
Passport No.: A15516679
Work address: Mansoura Ophthalmic Center, Mansoura faculty of medicine, Mansoura University
Address: 9, street No. 2, Samanodi district, Mansoura
Home Tele: + 20 50 221 2285
Work Tele: + 20 2216440
Mobile: + 20 1063838760
Fax: + 20 50 2256104
E-mail: amal_elbendary@mans.edu.eg
amalelbendary67@gmail.com
Marital state: Married & has 3 children
The husband is an assistant professor of Dermatology, Andrology & STDs, Mansoura faculty of medicine, Mansoura university.

Scientific qualification:

M.B., B.Ch. (1990): Faculty of Medicine, Mansoura university.

M.S. Ophthalmology (1995): Faculty of Medicine, Mansoura University

“Evaluation of Laser Photocoagulation in Patient with Proliferative Diabetic Retinopathy”

Supervisors

Prof. Taher Gamal El-Deen

Prof. M. Nader Roshdy

Prof. Rasheed El-Lakkany

Reviewers

Prof. Taher Gamal El-Deen

Prof. Eglal El-Saeid

Prof. Sayed El-Nawawy (Alex)

M.D. Ophthalmology (2002): Faculty of Medicine, Mansoura University

“The Value of Optical Coherence Tomography in Primary open Angle Glaucoma”

Supervisors

Prof. Raouf El-Nafees

Prof. Ahmad Sultan

Dr. Ibrahim El-Adawy

Reviewers

Prof. Mohamad Emarah

Prof. Ahmad Sheta (Alex)

Prof. Raouf El-Nafees

Professional experiences:

House officer	1991
Assigned doctor to ministry of health	1992
Resident registrar	1993
Clinical demonstrator	1996
Assistant lecturer	1997
Lecturer	2003
Assistant professor	2008
Professor	2013

Membership of scientific associations:

- Egyptian medical syndicate.
- Egyptian ophthalmological society (EOS)
- Delta ophthalmological society (DOS).
- Egyptian society of ocular implants and refractive surgery (ESOIR)
- Egyptian society of cataract and refractive surgery (EGSCAR).
- Egyptian society for glaucoma (ESG).

Membership of Editorial board:

- Member of editorial board of open ophthalmology journal
- Member of editorial board of Mathews open access journals

Appreciations:

1. Appreciation medals & Awards:

- Appreciation certificate from Lippincott Continuing Medical Education Institute for participation as peer reviewer (Awarded: a 3.0 AMA PRA Category 1 Credits TM) 25/9/2015
- International publication incentives from Mansoura university, 2011/2012.
- Appreciation medal from Faculty of Medicine, Mansoura university, 2005.
- Appreciation shield from Dakahleyah Medical syndicate, 2003

2. Appreciation certificates:

- Appreciation certificate from Dakahleyah Medical syndicate, 1997.
- Appreciation certificate from the society service and environment development affairs, Faculty of Medicine – Mansoura University, Tayeba Village, Nabaroh – Dakahleyah (medical trail)
- Appreciation certificate from the society service and environment development affairs, Faculty of Medicine – Mansoura University, Salaka Village – Dakahleyah (medical trail), 2011.
- Appreciation certificate from the society service and environment development affairs, Faculty of Medicine – Mansoura University, administration of security troops – talkha Dakahleyah (medical trail), 2004.
- Appreciation certificate from the society service and environment development affairs, Faculty of Medicine – Mansoura University, Elmahmodia Village – Dakahleyah (medical trail), 2004.

*** Scientific products:**

M.S.Thesis:

“Evaluation of laser photocoagulation in patients with proliferative diabetic retinopathy”

M.D. Thesis:

“Value of optical coherence tomography in primary open angle glaucoma”

Supervision of Theses:

1. Microbial Keratitis Management and Visual Outcome

P.I.: Eman Azmy Abdel-Hamid

Co-Supervisors: Prof. Esam Baddour, Dr. Sahar El-Tarshouby

2. Lamellar Corneal Procedures

P.I.: Eman Mohammed Megahed

Co-Supervisors: Prof. Esam Baddour, Dr. Ehab Nafea

3. Retinopathy of Prematurity

P.I.: Rania Mohamad Reda

Co-Supervisors: Prof. Amal Abd El-Wahhab, Prof. Ehab Hasan

4. Age Related Macular Degeneration

P.I.: Shima Mostafa Badr

Co-Supervisors: Prof. Mohamad El-Desouky, Dr. Dalia El-Emam

5. Management of Cloudy Cornea in Children

P.I.: Ibrahim El-Hoseny Mohamad Ahmad

Co-Supervisors: Prof. Esam Baddour, Dr. Weal El-Desouky

6. Stem cell therapy for ocular disorders

P.I.: Enas Fawzy Ebrahim

Co-Supervisors: Prof. Eman El-Hefny, Dr. Kamal Enaam

7. Diagnostic Accuracy of Retinal Ganglion Cell Layer Thickness in Patients with Primary Angle Glaucoma

P.I.: Mohammed Hafez

Co-Supervisors: Prof. Hesham El-Serogy, Dr. Kamal Enaam

8. Divide and Conquer Versus Chop Techniques in Phacoemulsification Study of the Operation Events and Early Results - MD

P.I.: Mohamad Ali Al-Ansi

Co-Supervisors: Prof. Adel Hasan, Prof. Rasheed El-Lakkany, Dr. Weal El-Desouky

9. Vitrectomy for Idiopathic Macular Hole

P.I.: Amr Abd El-Kader

Co-Supervisors: Prof. Mohamad Nader Roshdy, Prof. Mohamad Khalaf, Prof. Amr El-Kannishy

Discussion of Theses:

1. Age Related Macular Degeneration

P.I.: Shima Mostafa Badr

Co-Reviewers: Prof A. Rasheed El-Lakkany, Prof. Magdy Mousa (Tanta)

2. Optical Coherence Tomography in Assessment of Macula after Cataract Surgery

P.I.: Dina Fouad El-Baz

Co-Reviewers: Prof. Abd El-Mohsen Elshal, Prof. Omar El-Shabray (Zag.)

3. Diagnostic Accuracy of Retinal Ganglion Cell Layer Thickness in Patients with Primary Angle Glaucoma

P.I.: Mohammed Hafez

Co-Reviewers: Prof. Yosry Fikry Abdo (Banha), Prof. Sahar El-Tarshouby

E- Research projects:

Assistant researcher in research project of faculty of medicine, Mansoura university, "Prevalence of allergic disorders and identification of common aeroallergens in Dakahlia, Egypt"

F- Supervision of thesis:

Master Ship.:

1. Bacterial keratitis, diagnosis and management (2004-2006)
2. Lamellar corneal procedures (2007-2009)
3. Pharmacologic vitrectomy (2010- 2015)
4. Retinopathy of prematurity (2008-2010)
5. Age related macular degeneration (2009-2011)
6. Management of cloudy cornea in children (2011-2012)
7. Stem cell therapy for ocular disorders (2011-2012)
8. Lamina cirbrosa in diagnosis of primary open angle glaucoma (2012-)
9. Diagnostic accuracy of retinal ganglion cell layer thickness in patients with primary open angle glaucoma (2013-2015)
10. Predictability of treatment response after ranibizumab injection for age-related macular degeneration (2014-)
11. Clotting factor 5 mutation in patients with central retinal vein occlusion (2015-)
12. OCT angiography in ARMD (/52016)

Medical Doctorate:

1. Divide And Conquer Versus Chop Techniques In Phacoemulsification: Study Of Endothelial Cell Loss (2009-2011)
2. Vitrectomy in idiopathic macular hole (2012-)
3. Effect of specific drills for developing special visual abilities on some tactical performances for soccer juniors (2010-.2012)
4. Clinical and laboratory investigations of non-hybrid resin composite lined with smart dentin replacement flowable resin composite 2012-2014

Practical experiences:

- Investigative ophthalmology
 - Visual field
 - Optical Coherence Tomography
- Surgery
 - Intravitreal injection.
 - Argon LASER photocoagulation
 - YAG LASER posterior capsulotomy
 - Extracapsular cataract extraction
 - Phacoemulsification
 - Pterygium surgery with conjunctivolimbal autograft
 - Subscleral trabeculectomy

Training courses & workshops (trainee):

1. University teacher preparation program, Mansoura University, 1997.
2. Training course on visual field interpretation Alexandria university 1996
3. Workshop on phacoemulsification, Mansoura university 1997
4. Training course on Surgical skills in phacoemulsification Mansoura university 2008.
5. Workshop on phacoemulsification, Mansoura university 2004
6. Training course on visual field interpretation, Egyptian ophthalmological society 1999
7. Training course on contact lens fitting, Egyptian ophthalmological society 1999
8. Training course on glaucoma treatment, Egyptian ophthalmological society, 1998
9. Training course on management of strabismus, Egyptian ophthalmological society, 1999
10. Training course on ultrasound application in ophthalmology Egyptian ophthalmological society 1997
11. Workshop on Impact factor of journals and citations in ISI database, General administration of libraries, Mansoura University, 2010.
12. Training course on Imaging, Egyptian vitreoretinal society, 2016 accredited from American Association of continuous medical education (AACME) 13/4/2016
13. Training course on diabetic retinopathy, Egyptian vitreoretinal society, 2016 accredited from American Association of continuous medical education (AACME) 13/4/2016
14. Training course on research methodology & statistics in community department 20/9/2016-----)

Training courses (Trainer)

Academic lectures

1. Training course on "OCT in Diabetic macular edema" 2008, Egyptian ophthalmological society
2. Training course "value of OCT in epiretinal membrane" 2009 Egyptian ophthalmological society
3. Training course on "OCT in choroidal neovascularization, additional perspective" 2010, Egyptian ophthalmological society
4. Training course on "OCT of retina & optic nerve diseases" 2010, Mansoura Ophthalmic center
5. Training course in first international training course for commonwealth "optic disc changes in glaucoma & OCT in glaucoma" 2005, Mansoura Ophthalmic Center
6. Training course in first international training course for commonwealth "Interpretation of OCT & OCT in retinal diseases". 2005, Mansoura Ophthalmic Center
7. Training course "OCT in vascular retinopathy" 2012, Egyptian ophthalmological society
8. Training course for delegates of Ministry of health entitled "Basics of OCT, OCT in retinal & optic nerve disease", 2012, Mansoura Ophthalmic Center"
9. Training course "OCT in vascular retinopathy" 2013, Egyptian ophthalmological society
10. Training course on "OCT versus fluorescein angiography in retinal diseases" 2014, Egyptian ophthalmological society
11. Training course for delegates of Ministry of health entitled "Basics of OCT, OCT in retinal & optic nerve disease", 2012, Mansoura Ophthalmic Center"
12. Glaucoma training course, 2012 "value of OCT in glaucoma
13. Training course on "Hereditary retinal dystrophy, New insight", 2015 Egyptian ophthalmological society
14. Training course on "Hereditary retinal dystrophy, An OCT overview", 2016 Egyptian ophthalmological society
15. Posterior segment training course : examination & common diseases. Level :Basic, CME credit:4
Title: Decision making in diabetic macular edema

OCT Practical training

1. International congress of Mansoura Ophthalmic Center, Delegates of Filatove institute, 2004, Mansoura Ophthalmic Center
2. International training course, 2005 Mansoura Ophthalmic Center
3. Annual glaucoma congress, 2008, Mansoura Ophthalmic Center
4. Mansoura ophthalmic center training courses, 2010 & 2012
5. Delegate of ministry of health, 2012 & 2014, Mansoura Ophthalmic Center

Teaching activities:

- Lectures and clinical demonstration for M.B. B.Ch. students, Faculty of Medicine, Mansoura University, 1997 – 2015.
- M. Sc. Students, Faculty of Medicine, Mansoura University, 2003 – 2015.
- MD students, Faculty of Medicine, Mansoura University, 2003 – 2015.
- Egyptian fellow ship students, Faculty of Medicine, Mansoura University, 2011 – 2015
- Manchester Mansoura program students, Faculty of Medicine, Mansoura University, 2011 – 2015
- Clinical training for M.B. B.Ch. students, M. Sc., & MD students
- Sharer in oral & clinical examination for M.B. B.Ch. students
- Sharer in oral, clinical & written exam for M.Sc. students
- Sharer in oral, clinical & written exam for fellowship students
- Sharer in written exam for M.D students

Planning & administrative achievements:

- Sharing in establishment & director of optical coherence tomography unit, Mansoura Ophthalmic Center, Mansoura University (1997-2015)
- Director of medical retina unit & intravitreal injection unit, Mansoura Ophthalmic Center, Mansoura University (1/2015-----)
- Coordinator of scientific research development, Mansoura Ophthalmic Center, Mansoura University (/279/2016-----)
- Member of administrative board of Mansoura Ophthalmic Center (2007-2009)
- Member of department council of Mansoura Ophthalmic Center (2003-2016)
- Member of central control for 2nd year, Faculty of Medicine, Mansoura University, 2010 – 2011.
- Member of central control for MD first & 2nd parts, Faculty of Medicine, Mansoura University, April 2008.
- Member of central control for MD first & 2nd parts, Faculty of Medicine, Mansoura University, October 2008.
- Member of post graduate awareness committee, Mansoura Ophthalmic Center, Mansoura University
- Faculty & leadership development programs, Mansoura university:
 - Professional ethics, 2005.
 - Management of scientific research, 2006.
 - Skills of effective communication, 2005.
 - Curriculum design, 2005.
 - Skills of effective presentation, 2005.
 - New trends of teaching, 2005.
 - Credit hours 2010
 - Time & meeting management 2008
 - Examinations systems and students evaluation, 2008.
 - university administration, 2010.
 - Local and international competitive research projects, 2009.
 - Strategic planning, 2009

Conferences & symposia:

Presentation:

1. Annual conference of Mansoura Ophthalmic Center, 2004: Central corneal thickness measurement by retinal OCT versus ultrasound pachymetry
2. Annual conference of Mansoura Ophthalmic Center, 2004: value of OCT in diagnosis of glaucoma in high myopia
3. Annual conference of vitreoretinal surgery, Mansoura Ophthalmic Center, 2005:OCT in macular edema
4. Annual conference of Egyptian Ophthalmologic society, Cairo, 2005: Sensitivity & specificity of OCT in diagnosis of glaucoma.
5. Annual conference of Egyptian Ophthalmologic society, Cairo, 2006: Anterior segment evaluation, An OCT study.
6. Annual conference of Egyptian Ophthalmologic society, Cairo, 2006: Intraocular pressure measurement after LASIK.
7. International congress of Mansoura Ophthalmic Center, 2008: three dimensional characterization of epiretinal membrane of ERM using SD-OCT
8. International congress of Mansoura Ophthalmic Center, 2010: OCT in choroidal neovascular membrane , an additional perspective
9. Allergy & immunology course, Chest department,2010: Ocular allergy
10. International congress of Mansoura Ophthalmic Center, 2011:Discriminating ability of OCT in different glaucoma stages
11. Annual conference of Alexandria ophthalmic department, 2012: OCT in age related macular degeneration
12. Annual conference of Delta Ophthalmologic society,Alexandria, 2014: Oct versus FA in macular diseases
13. ARVO EGYPT annual meeting, 2014: poster presentation : ERM characterization with OCT
14. International congress of Mansoura Ophthalmic Center, 2014: Decision making OCT
15. Annual conference of Delta Ophthalmologic society, Alexandria,2015 OCT n retinal dystrophy
16. Annual congress of Egyptian glaucoma society, Mansoura ophthalmic center , 30/7/2015: Value of OCT in glaucoma diagnosis
17. Ist annual conference of ophthalmology department in Mansoura Health insurance Hospital 12/11/2015: OCT in diabetic macular edema, what's different?

Attendance:

1. The scientific meeting of Egyptian ophthalmological society Summer meeting (Alexandria)& winter meeting (Cairo), from 1995 till now
2. Circular meeting of Delta clinical ophthalmological society (/3M)from 1993 till now
3. Annual conference of Egyptian society of vitreoretinal surgery, 1997,2005 Mansoura ophthalmic Center
4. The 14Th international; meeting of Egyptian vitreoretinal society (EGVRS) 13-15/4/2016
5. International conference of Pan Arab African Council in conjunction with Egyptian ophthalmological society, 1999, Cairo
6. Annual congress of Egyptian society of ocular implants and refractive surgery, Alexandria
7. Annual congress of Egyptian society cataract & and refractive surgery, Cairo2007,2010, 2011
8. Annual scientific meeting of Egyptian glaucoma society, 2008,2009Cairo
9. International Mansoura congress in conjunction with Filatove institute, Okraine, at Mansoura ophthalmic Center 2000, 2002, 2004, 2008
10. International Mansoura Ophthalmic Center in conjunction with Jeneve university, 2009 Mansoura Ophthalmic Center

11. **International Mansoura Ophthalmic Center in conjunction with Lozan university, 2009 Mansoura Ophthalmic Center**
12. **Annual international Mansoura congress, Mansoura ophthalmic Center from 2004 till now**
13. **Annual Mansoura conference for cataract & refractive surgery, Mansoura ophthalmic Center 2008 till now**
14. **Annual Mansoura conference for glaucoma in conjunction Egyptian glaucoma society, Mansoura ophthalmic Center 2009 till now**
15. **Annual Mansoura conference for strabismus 2007 till now**
16. **Annual conference of the Suez Canal ophthalmic department, Ismaelia, 2005.**
17. **14th international meeting of Egyptian Vitreoretinal Society accredited by The American Association of Continuing Medical Education 13-15/4/2016**
18. **Al watany ophthalmology Summit ((Al watany research & development Center), Cairo 28/9/2016-30/9/2016**

Social Activity: Member of student support unit in Mansoura faculty of medicine (5/2016)
