Welcome

On behalf of the staff members of Medical Biochemistry Department, it is our immense pleasure to welcome you all in the fourth conference of our department in collaboration with the Egyptian Society of Biochemistry and Molecular Biology (ESBMB) and &The Egyptian Society of Tumor Markers oncology (ESTMO) which will be held at El-Mansoura on April 12, 2017.

The major aim of this conference is to bring together scientists from all around. A large number of experts from different areas of Molecular Biology, Biotechnology and Biochemistry are expected to attend the conference. We request you to take this opportunity to participate in this conference. Your active participation is highly solicited.

We very much look forward to see you at Mansoura.
