

**Curriculum Vitae (C.V)**

***Professor El-Said M. Abdel-Hady,***

**MBBCh, MSc, PhD, FRCOG,**

**Dean of Mansoura Faculty of Medicine,**

**Professor, Department of Obstetrics & Gynaecology,**

**Mansoura University,**

**Mansoura, Egypt.**

### **Personal Data:**

Name: El-Said Mohamed Abdel-Hady Hassanin.

Date of birth: 10 February 1964.

Nationality: Egyptian.

Gender: Man.

Marital status: Married and father 3 children.

Address: Khattab building 2, Saad Zagloul Street, In front of ElMaserria for cars, Mansoura.

Tel No.: Clinic: 2050 2357775 Mobile: 01222449336.

E-mail: [elsaidhady@mans.edu.eg](mailto:elsaidhady@mans.edu.eg) and [elsaidhady@yahoo.co.uk](mailto:elsaidhady@yahoo.co.uk).

GMC Registration (UK): Full Registration No. 5191078 (voluntary erased in September 2013).

Egyptian Medical Syndicate (Egypt): Full Registration No: 94661

### **QUALIFICATIONS:**

- Fellow of the Royal College of Obstetricians & Gynaecologists (FRCOG) March 2014.
- Member of the Royal College of Obstetricians & Gynaecologists (MRCOG) March 2002.
- Philosophy Doctor (PhD). *The University of Manchester*, UK, November 2001.
- Master Science (MSc) *Mansoura University*, Egypt, November 1993 (Excellent).
- M.B.B.Ch. *Mansoura University*, Egypt, November 1988 (Excellent with honour).

### **Current Post:**

**Dean of Mansoura faculty of medicine, Mansoura University 28June 2015 till now**

**Professor of Obstetrics & Gynaecology, Mansoura University, Egypt, 27 may 2013 till now.**

### **Previous Posts:**

- ***26/5/2008-26/5/2013(5 years):***

Associate Professor of Obstetrics & Gynaecology, Mansoura University, Egypt

- ***26/5/ 2003-25/5/2008 (5 years):***

Clinical Lecturer of Obstetrics & Gynaecology, Mansoura University, Egypt.

- 3<sup>rd</sup> January 1994-28<sup>th</sup> February 1997 (37 Months).

Assistant Lecturer (Senior Registrar) In Obstetrics and Gynaecology, Mansoura University Teaching Hospital, Mansoura, EGYPT.

- 4<sup>th</sup> July 1991-3<sup>rd</sup> January 1994 (30 Months).

Registrar, Department of Obstetrics and Gynaecology, Mansoura University, Mansoura, Egypt.

- 1<sup>st</sup> April1990-1<sup>st</sup> July1991 (15 Months)

Senior House Officer, the Military service, Egypt.

- 1<sup>st</sup> March 1989-28<sup>th</sup> February 1990 (12 Months).

House Officer (INTERN), Mansoura University Hospital, Egypt.

**PREVIOUS APPOINTMENTS IN THE UK:**

- 14 June 2004-30 August 2004 (11 weeks).

Specialist Registrar (Locum), Leicester Royal Infirmary, Leicester, UK.

- 1 March 2002-28 February 2003 (12 months).

Specialist Registrar in Obstetrics & Gynaecology, West Midlands' Rotation, UK.

- 1 February 2001-28 February 2002 (13 months).

Registrar, Department of Obstetrics & Gynaecology, Fife, South East Scotland, UK.

- 4 October 2000-1 February 2001 (4 months).

Senior House Officer, Warrington Hospital NHS Trust, Lovely Lane, WA5 1QG, UK.

- July 1997-July 2000 (3 years).

Clinical Research Fellow (PhD student), Department of Obstetrics and Gynaecology, St. Mary's Hospital for Women and Children, Manchester, M13 OJH, UK.

**RESEARCH EXPERIENCE:**

**I hold 2 research degrees, PhD and MSc.**

- Photodynamic therapy of the female lower genital tract intraepithelial neoplasia. PhD. Thesis, the University of Manchester, November 2001.
- Comparison of diagnostic accuracy of hysterosalpingography and laparoscopy in the evaluation of female infertility. M. Sc. Thesis, Mansoura University, November 1993.

**AUDIT:**

- Endometrial Resection /Ablation audit at Forth Park and Queen Margaret Hospitals, Fife, Scotland (presented at 2 separate departmental meetings).
- Instrumental Delivery audit at Forth Park Hospital, Fife, Scotland.
- The outcome of 650 TVT operations at Good Hope Hospital, West Midlands. (Presented at the annual Northern Hub research meeting in December 2002).
- The quality of care for patients with advanced ovarian carcinoma. Presented at the 11<sup>th</sup> annual international meeting of the Egyptian infertility centers. Alexandria, Egypt 8/12/2006.

**Research Projects:**

**Principal investigator:**

National Screening Project for Early Detection of Cervical Carcinoma in Egypt using Visual Inspection with Acetic Acid in collaboration with Mansoura University, Egyptian Ministry of Health and population and UNFPA Representative in Egypt.

**Co-investigator:**

Biomarkers in endometrial carcinoma, sponsored by Mansoura University.

**Completed and published the results of 2 research projects sponsored by Mansoura University (2004-2006).**

- 1- Early detection of cervical carcinoma in Dakahlia using visual inspection with acetic acid.
- 2- Reduction of Maternal Mortality in the Dakahlia Governorate.

**Scientific Organiser and chair at the following international scientific activities:**

- 1- The annual conference of the faculty of medicine, Mansoura University 2015-2018
- 2- The annual meeting of the ERC-RCOG 2015-2018
- 3- The International Gynaecological Oncology Forum, joint meeting of the Egyptian Gynaecological Cancer Society and the Department of Obstetrics and Gynaecology, Mansoura University, held in Sharm El-Shiekh, 26-28/2/2014.
- 4- The annual meeting of the Egyptian Gynaecological Cancer Society (EGCS).

**Contributor and editor in the following Books:**

**1-Gynaecology by staff members of the Obs&Gyn. Department, Mansoura University:**

**Edited 3 chapters:** Gynaecological oncology, Physiology of puberty and menopause and Menstrual disorders.

**2-Obstetrics by staff members of the Obs&Gyn. Department:**

**Edited 3 chapters:** Abnormal uterine action, Induction of labour and abortion and Normal and abnormal puerperium.

**Masters (MSc) and Doctorate (MD) Thesis Supervision:**

**MSc: supervised 7 theses.**

**MD: supervising 4 theses.**

**•External Examiner for a PhD thesis submitted to the University of Manchester, UK. Viva carried out in Manchester on 24 June 2009.**

- Internal examiner for an MD thesis, Mansoura University.
- External Examiner for 4 MSc and one MD theses submitted to the University of Zagazig. •Internal Examiner for MSc thesis submitted to the University of Mansoura.
- Supervisor of the student's exchange programme with the University of Manchester. (8 Manchester and 8 Mansoura students each year).

**Publications and presentations (Till March 2018)**

**• Publications in international journals that is available on the internet/midline:**

**Presentations at International Meetings:**

Gynaecological oncology in Egypt: a lot more to be done. ERC-RCOG meeting , March 2018.

Do Egypt needs HPV vaccines? The Egyptian cancer Institute annual meeting 2017

Early detection of cervical carcinoma in Egypt: the need for a national screening programme. The breast and Gynaecological cancer meeting 2016.

Lymphadenectomy in Gynaecological cancers. The ERC-RCOG 2015

- Non-endometrioid subtype of endometrial carcinoma. Poster accepted at the annual meeting of the British Gynaecological Cancer Society (BGCS), London, 10-11/7/2014.
- Early Detection of Cervical Precancerous Changes in Low Resource Settings: Can the performance of visual inspection with acetic acid test be improved? E Poster presented at the RCOG world congress 2014, Hyderabad, India, 28-30 March 2014.
- Fertility sparing management of young women with gynaecological malignancies, Poster presented at the FIGO Africa regional meeting, Addis Ababa, 3-5 October 2013.
- Rhabdomyosarcoma of the female genital tract: 5 years' experience. Paper presented at the 3<sup>rd</sup> meeting of the ERC-RCOG, Cairo, Egypt 2-3/3/2013.
- Caesarean section rates and indications in Mansoura: A reason for concern. Paper presented at the 17<sup>th</sup> Annual International Conference of the Egyptian Fertility and Sterility Society, December 13-14/2012.

- Clinical and pathological aspects of vulval carcinoma in Mansoura, Egypt. Poster presented at the 17TH International meeting of the European Society of Gynaecological Oncology (ESGO) Milan, Italy: 11-14/9/2011.
- Germ cell tumours of the ovary. Paper presented at the Egyptian representative committee of the RCOG, Cairo 4/9/2011.
- Management of Malignant disease during pregnancy. Paper presented at the 5<sup>TH</sup> annual meeting of the Egyptian Society of Gynaecological Cancer and the IGCS, Cairo, 29/12/2010.
- Gynaecological Oncology and Reproduction: Is there any correlation? Paper presented at the international meeting of the Egyptian Fertility Sterility society, October 2010.
- Radical surgery for cervical and vulval carcinoma in Mansoura: How long is the learning curve? Paper presented at the first international congress of the Egyptian representative committee of the RCOG, Cairo 27-28/2/2010.
- Ovarian tumours in children and young adults. Paper presented at the 4<sup>th</sup> international congress of the Egyptian society of gynaecological cancers and the IGCS, Cairo December 2009.
- Presentation and management of cervical carcinoma. **Paper accepted by the XIX FIGO meeting in South Africa for an oral presentation**, October 2009.
  
- Is expectant management of early-onset severe preeclampsia worthy in low resource settings? Paper presented at the world congress on controversies in obstetrics, gynaecology and infertility. **Paris 27-30/11/2008.**
- Why do Mothers Die in Dakahlia, Egypt? **Paper presented at the XVIII FIGO meeting in Kuala Lumpur, Malaysia**, 5-10 November 2006.
- Total versus subtotal hysterectomy for benign disease. Paper presented at the Egyptian Representative Committee for the RCOG, Cairo, 5/3/2006.
- Screening for cervical carcinoma using visual inspection with acetic acid. Paper presented at the **6<sup>TH</sup> International meeting of the RCOG**, Cairo, 27-30 September 2005.
- Reduction of maternal mortality in Egypt: can the target be achieved? Poster presented at the **6<sup>TH</sup> International meeting of the RCOG**, Cairo, 27-30 September 2005.
- Lower genital tract neoplasia: Viral or immunological aetiology. Paper presented at **36<sup>th</sup> FIGO EPO Gestosis meeting**, Alexandria, Egypt, 2003.
- The outcome of the TVT for the treatment of women with urodynamic stress incontinence. Paper presented at the **4<sup>th</sup> international urogynaecology meeting**, Cairo, Egypt, 2004.

- Screening for cervical cancer: Can we have a national programme. Paper presented at *27<sup>th</sup> international Ain Shams Medical congress*, Cairo, Egypt, 22-25 March 2004.
- The human papillomavirus E6 protein and the resistance of cervical carcinoma cells to photodynamic therapy. Paper presented at the **18<sup>TH</sup> International Papillomavirus Conference, Barcelona, Spain 23-28 July 2000. This paper won the best honourable prize of the conference.**
- Contribution of HPV16 E6 and E7 Oncoproteins to the Malignant Characteristics of Transplanted Cervical Carcinoma Cells. Poster presented at the **18<sup>TH</sup> International Papillomavirus Conference, Barcelona, Spain 23-28 July 2000.**
- HLA expression, immune infiltrating cells and HPV infection in vulval intraepithelial neoplasia to topical photodynamic therapy. Poster presented at the **18<sup>TH</sup> International Papillomavirus Conference, Barcelona, Spain 23-28 July 2000.**
- The human papillomavirus E6 oncoprotein and the resistance of cervical carcinoma cells to ALA based photodynamic therapy. Paper and poster presented at the **3<sup>RD</sup> International Workshop on ALA Photodynamic Therapy and Photodetection.** Leeds, UK, 14-16/4/ 2000.

### **Presentations in Egypt**

- Maternal mortality in Egypt: Can we have confidential inquiries. Paper presented at *9<sup>th</sup> annual met-Ghamer meeting*, Mansoura, Egypt, 2004.
- Advanced ovarian carcinoma: more conservative or more radical approach. Paper presented at the *4<sup>th</sup> annual oncology meeting*, Mansoura, Egypt, April, 2004.
- Viral infections during pregnancy. Paper presented at the annual meeting, El-Mahala El-Kobra, Gharbia, Egypt, 2004.
- Menopause and sexuality. Paper presented at the *10<sup>th</sup> annual meeting of updates in reproductive medicine*, Cairo, Egypt, 3-5 September, 2004
- Hormones and cancer; much speculations, little evidence. Paper presented at the *9<sup>th</sup> annual meeting of updates in reproductive medicine*, Alexandria, Egypt, 26<sup>th</sup> November, 2004
- Cardiac disease with pregnancy in Mansoura: One year experience. Paper presented at the *1<sup>ST</sup> perinatology conference*, Cairo, Egypt, January, 2005.
- International standards in medical education. Paper presented at the annual conference of the Faculty of Medicine, Mansoura University, 6-8 March 2005.

- Management of malignant disease during pregnancy. Paper presented at the annual conference of Oncology & Nuclear Medicine, Mansoura University, 26 April 2005.
- Management of cervical intraepithelial neoplasia. Paper presented at the Annual conference of the Clinical Society of Obstetricians & Gynaecologists, Mansoura, 28 April 2005.
- Early detection of gynaecological malignancies: role of the gynaecologist. Paper presented at the Annual conference of the Department of Obstetrics & Gynaecology, Mansoura University, 28 June 2005.
- Updates on the management of polycystic ovarian syndrome. Paper presented at the RCOG Egyptian Committee held in Mansoura on 23/2/2006.
- Why mothers die in Dakahlia? Paper presented at the 7th Annual Conference of the Department of Obstetrics & Gynaecology, Cairo University, 31/3/2006 and the Department of Obstetrics & Gynaecology, Alexandria University, 20 April 2006.
- Postmenopausal bleeding, a stepwise approach to management. Paper presented at the annual meeting of the Clinical Society of Obstetricians & Gynaecologists, Mansoura, 27 April 2006.
- The quality of care for patients with advanced ovarian carcinoma. Presented at the 11<sup>th</sup> annual international meeting of the Egyptian infertility centers. Alexandria, Egypt 8/12/2006.
- Total versus subtotal hysterectomy. Presented at the annual meeting of the department of Obs & Gyn. Mansoura University, February 2007.
- Assessment of Medical students. Presented at the annual meeting of the Faculty of Medicine, Mansoura University, April 2007.
- Psychological Aspects of Gynaecological Cancers. Presented at the annual meeting of the Domiatia Society of Obs & Gyn. May 2007.
- Radical hysterectomy in Mansoura. Presented at the second annual meeting of the Egyptian Society of Gynaecological Cancers. Cairo, June 2007.
- Management of menopausal symptoms using 4 regimens of HRT. Paper presented at the 12<sup>th</sup> annual meeting of Egyptian Society of Fertility and sterility, Cairo, Egypt, 6-9/9/ 2007.
- Chronic pelvic pain: Management options. Presented at the annual meeting of the Domiatia Society of Obs & Gyn. May 2008.
- Substandard care in obstetrics: lessons learned from a 3-year maternal mortality study in Dakahlia. Presented at the annual meeting of the department of Obs & Gyn. Mansoura University, July 2008.

- Malignant melanoma of the cervix: A case report. Paper presented at the Egyptian Representative Committee for the RCOG, Cairo, 31/8/2008.
- What causes cervical carcinoma in Egypt? Paper presented at the 3<sup>RD</sup> annual meeting of the Egyptian Gynaecological Cancer Society. Cairo 17/11/2008.
- Pathogenesis of uterine fibroids. Paper presented at the annual meeting of the ERC of the RCOG in Mansoura, 26/2/2009.
- Ovarian tumours in Adolescents. Paper presented at the annual meeting of the Clinical Society of Obstetricians & Gynaecologists, Mansoura, 29 April 2009.
- Ovarian cysts in postmenopausal women. Presented at the annual meeting of the Domiatia Society of Obs & Gyn. 7 May 2009.
- Early detection of carcinoma of the lower genital tract. Presented at the annual meeting of the Egyptian Cancer Society, 11 June 2009.
- Fertility conserving surgery for adolescents with ovarian tumours. Paper presented at the 14<sup>Th</sup> Annual International Conference of the Egyptian Fertility and Sterility Society, September, 2009. This paper won the prize of the second best presentation (5000 Egyptian pounds).
- Immunological aspects of reproductive failure. Presented at the monthly meeting of the department of Immunology, Mansoura University, March 2010.
- H1N1 during pregnancy. Presented at the annual conference of the Physiology department, Mansoura University April 2010.
- Gynaecological oncology in Mansoura: hopes and obstacles. Presented at the annual meeting of the department of Obstetrics and Gynaecology, Mansoura University, 21-22 April 2010.
- Subject based versus problem based medical education: Where is the evidence? Paper presented at the Annual Conference of Mansoura Faculty of Medicine, 6 November 2010.
- Role of Endoscopy in Gynecological Oncology. Paper presented at the RCOG representative Committee at the annual meeting of the Port Said Society of Obstetricians & Gynaecologists, Port Said, 31 March 2011.
- Persistent Postmenopausal bleeding: How to manage? Paper presented at the annual meeting of the Clinical Society of Obstetricians & Gynaecologists, Mansoura, 7 April 2011.
- Adnexal Masses in Adolescents. Paper accepted for an oral presentation at the annual meeting of the Domiatia Society of Obs & Gyn. May 2011.

- Updates in the management of Endometrial carcinoma. Paper presented at the annual meeting of the Domiatia Society of Obs & Gyn. May 2012.
- Postmenopausal bleeding: Epidemiology and risk factors. Paper presented at the annual meeting of the Clinical Society of Obstetricians & Gynaecologists, Mansoura, 18 April 2013.
- Fertility sparing surgery for young women with Gynaecological cancers. Paper presented at the annual meeting of the Domiatia Society of Obs & Gyn. 8 May 2014.
- Screening for ovarian carcinoma. Paper presented at the annual meeting of the El-Mahla El-Kobra Obs & Gyn. 15 May 2014.
- Mansoura-Manchester Programme for medical education: what went right? Paper presented at the annual meeting Ain Shams Obstetrics and Gynaecology, Cairo 21-22/5/2014

#### **PRESENTATIONS IN THE UK:**

- El-Said Abdel-Hady, Martin-Hirsch P, Kitchener HC. Photodynamic therapy of the pre-invasive disease of the lower genital tract. Paper presented at the Northern Obstetrical & Gynaecological Society (NOGS) meeting, Perth General Hospital, 18/5/2001.
- El-Said Abdel-Hady, Martin-Hirsch P, Maggie Duggan-Keen, Peter L Stern, James V. Moore, Gerald Corbitt, Henry C. Kitchener and Ian Hampson. HLA expression and HPV infection in preinvasive and invasive carcinoma of the vulva. Paper presented at the Northwest Consultants Meeting, The Lake District, 30<sup>TH</sup> October 1999.
- El-Said Abdel-Hady, Martin-Hirsch P, Maggie Duggan-Keen, Peter L Stern, James V. Moore, Gerald Corbitt, Henry C. Kitchener and Ian Hampson. HLA expression and HPV infection in preinvasive and invasive carcinoma of the vulva. Paper presented at the North of England Obstetrical and Gynaecological Society, Manchester, 15<sup>th</sup> October 1999.
- El-Said Abdel-Hady, Martin-Hirsch P, Maggie Duggan-Keen, Peter L Stern, James V. Moore, Gerald Corbitt, Henry C. Kitchener and Ian Hampson. HLA expression and HPV infection in preinvasive and invasive carcinoma of the vulva. Paper presented at **Blair Bell Research Competition Meeting, Nuffield Hall RCOG, London, 15-16 December 1999** and published as abstract in *Br J Obstet Gynaecol, 2000; 107:818.*)

#### **Active participation at International Conferences and Workshops:**

- RCOG world congress 2014, Hyderabad, India 28-30 March 2014.
