2. **Training courses of SPSS for administrative and secretary** in king Abdel Aziz College of medicine (2007-2009).
3. **Training courses of SPSS for academic staff in center of development** in King Abdel Aziz University (2007-2009).

4. **Workshops in PBL for academic staff in center of development** in King Abdel Aziz University (2007-2009).
5. **Training workshops "Tips on research methodology" for academic staff and residency (twice/ year)**
6. **Submitting for scholarshipprogramm-** University Education Development Center 2007
7. **Speaker** in the workshop "**Sample Size Calculation** " - In Al Ahsa Hajar hall on 31<sup>st</sup> March 2006
8. **PBL Tutor Training Program(Speaker)** - in KAU from 10 – 17 November 2007
9. **PBL Tutor Training Program (Speaker)** University Education Development Center 2007
10. **Speaker** in the workshop "**training on SPSS program**", University Education Development Center 2007
11. **PBL Tutor Training Program (Speaker)** - Saudi Institute for Health Services 2008
12. **Training courses of Educational Goals** - In KAU, from 19<sup>th</sup> – 20<sup>th</sup> October, 2008
13. **Training courses of The impact of Simulation in Education :Lessons Learnt** - In KAU on 1-2 November, 2008
14. **Training courses of The First Medical Students Research Day** - In KAU on April 24<sup>th</sup> 2008
15. **Training courses of Balanced Score Card** - In KAU from 10 March 2009
16. **Student Assessment Strategy Workshop** - In KAU from 2 – 3 rd June 2009
17. **The Second Medical Students Research Day** - In KAU on April 16<sup>th</sup> 2009
18. **Training courses of Research Methodology** - In KAU on 14 – 15 November 2009
19. **Student Assessment Made Easy** - In KAU on 2 - 3 November 2009
20. **Training course" Leading the Omentum International Accreditation Process" & "Enhancing Quality Health Services with accreditation Canada on Patient Safety "**- In KAU 14 and 15 December 2009
21. **Exam preparation Course** - In KAU clinical skills center on 21 – 25 March 2009
22. **Mini CEX Training** - In KAU 11 January 2010
23. **Application of Simulation in Health Education** - In KAU 12 January 2010
24. **Simulation in Health Education** - In KAU 9 January 2010
25. **Course Design Academic** - In KAU 19 – 20 December 2009
26. **Exam preparation Course** - In KAU clinical skills center on 21 – 25 March 2009
27. **Speaker** in the workshop "**Tips on research methodology**" - In KAU faculty of medicine medical education department 2009
28. **Speaker** in the workshop "**Tips on research methodology**" - In KAU faculty of medicine medical education department 2010
29. **Basic Science Gynecology Course** , Jeddah King Abdul-Aziz University Hospital , KSA Date:21- 25Feb.2011
30. **Mini Symposium On Cancer Screening For Women** ,held at park hayat al sobha room , Jeddah , KSA Date : 14 February 2012
31. **Participation in the arbitration of students participation in the fourth scientific conference of the male and female students of Higher Education** , which was held at holy Makkah Al – Mukarramah during the period 19 – 22/06/1434 H corresponding to 29/4-02/2013
32. **Speaker** in the workshop "**training on SPSS program**, held in KAU, faculty of medicine 21-11-2013

33. **Participation in fourth scientific conference of the male and female students of Higher Education** , which was held at KAU , Jeddah during the period 07 – 09/02/1435 H corresponding to 10-12/12/2013
34. **Contribution in The Program " You Are the leader "**Held on 8/1/2014 corresponded to 8/2/1435H At king Abdulaziz University , Faculty of Medicine Hosted by Creativity & Talents Support Unit
35. **Contribution in The Program " You Are the leader "**Held on 19/3/2014 corresponded to 18/5/1435HAt king Abdulaziz University , faculty of Medicine Hosted by creativity & Talents Support Unit
36. **"Basics of Student Assessment"** .Held on 24/4/2014 corresponded to 24/6/1435 H At University Education Development Center.
37. **"Scientific methodology to discuss the master's and doctoral "** Held on 30/4/2014 corresponded to 01/7/1435 H At University Education Development Center.
38. **Blackboard Essential Training – E-learning**Held From 28-29-30/4/2014
39. **"Teaching and learning standards"** .Held on 15-16/9/2014 corresponded to 20-21/11/1435 H At University Education Development Center.
40. **"Ensure the quality of learning outcomes depending on national body "** .Held on 20-21/10/2014 corresponded to 26-27/12/1435 H At University Education Development Center.
41. **"Design research studies "** .Held on 3-4/11/2014 corresponded to 10-11/1/1436 H At University Education Development Center.
42. **"The foundations of effective assessment for students "** .Held on 24-25/11/2014 corresponded to 2-3/2/1436 H At University Education Development Center.
43. **"Good practices to assess students according to the standards of the National Commission"** .Held on 1-3/12/2014 corresponded to 9-11/2/1436 H At University Education Development Center.
44. **"Mixed research methadology"** .Held on 17-18/12/2014 corresponded to 25-26/2/1436 H At University Education Development Center.
45. **"Scientific methodology to discuss the MA and PhD"** .Held on 16/12/2014 corresponded to 24/2/1436 H At University Education Development Center.
46. **HIGHLIGHTS OF THE 3<sup>rd</sup> KING ABDULAZIZ UNIVERSITY STRATEGIC PLAN**, Faculty of medicine , king Abdulaziz university February 12 , 2015
47. **" Workshop in the area of performance indicators and their role in the quality of implementation of the Strategic Plan"** for employees of the Department of Defense" , Jeddah , Feb 2015
48. **PERSONAL STRATEGY FOR ACADEMICS** , HELD IN 11th OF MARCH 2015

## **Previous Experience**

### **I- in the field of primary health care (PHC) and public health:**

1. Participant a research project (epidemiology of hepatitis C virus in an Egyptian village Funded by sector of community and environmental affairs, Mansoura faculty of medicine 2000.
2. Organizer of Mansoura university from 1997 to 2001

### **II- Training course:**

1. Computer training course using DOS and windows (1996)
2. English language, faculty of education, Mansoura University (1996)
3. Preparation of university teaching staffs, faculty of education ,Mansoura University (1997)
4. Training course in Statistical analysis using( SPSS ) Statistical Package of social Science .faculty of medicine Ein –Shams university(1998)
5. Training course in biostatistics, faculty of medicine Mansoura University
6. Traing course in faculty and leadership development(FLDP), Mansoura University
7. Training courses in Faculty and Leadership Development (FLDP), Mansoura University (2004),

the following programs were fulfilled:

Medical ethics program.

Skills of thinking program.

Skills of scientific research program.

Skills of effective communication program.

Taking decision and problem solving.

Skills of effective show.

### III- Thesis supervise

1. Violence against females in Mansoura ,Dakahlia Governorate. M.SC.in public health , Mansoura University, Egypt
2. Cancer Pancreas Epidemiology and risk factors females in Mansoura ,Dakahlia Governorate. M.SC. in public health, Mansoura University, Egypt
3. Evidence based medicine in treatment of nephritis syndromeM.S.C in Pediatric department in Mansoura faculty of medicine ,Mansoura University, Egypt
4. Knoweldge attitudes &practice of school personels towards Violence against students M.S.C in faculty nursing AinShamsUniversity
5. Epidemiology of leprosy in Dakhlia governorate M.S.C in Dermatology department, Mansoura University, Egypt.

### IV- Membership:

1. Member of Egyptian Association Community medicine
2. Member of the Scientific Society of the Faculty of medicine, MansouraUniversity
3. Member of the society for community and environmental development, MansouraUniversity.
4. **member curriculum committee for fourth year community medicine** in king Abdel Aziz College of medicine (2008-2009).
5. **Member in AMEE (Association Of Medical Education Of European)**

### V- Scientific activities:

1. Participation in the scientific conference of faculty of Medicine,MansouraUniversity(1996-2002).
2. Attendance workshop of"treatment of respiratory tract infection in children(1995&1999)
3. Attendance workshop of"treatment of diarrhea disease in children (1995&1999):
4. Attendance workshop of "importance of breast feeding"(1995&1999)
5. Attendance workshop of" integrated health science modules (2006).
6. Attendance of the workshop entitled "Good Clinical Practice Course" in King Fahed research center in February 2009.

#### **VI- Teaching activities**

- 1- Teaching in clinical round for fourth, fifth and six year medical students
- 2- Teaching of biostatistics and methodology to students in faculty of nursing.
- 3- Teaching for specialties in moderate grade of nursing.
- 4- Teaching for postgraduate students in faculty of Tegarra.
- 5- Teaching for fourth & fifth year medical students Lectures in all parts of public and community medicine.

#### **Professional experience:**

1. House officer at Mansoura university hospital (March 1995 to February, 1996)
2. General practitioner at Ministry of health & population (March 1996-May 1996)
3. Demonstrator of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (May 1996-August, 1999)
4. Assistant Lecturer of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (August, 1999-Sept. 2002)
5. Lecturer of public health and community medicine, faculty of medicine, Mansoura faculty of medicine (Sep. 2002-Oct. 2005)
6. Assistant professor of family & community medicine in Al-ahsa college of medicine in King Faisal university (Oct. 2005 to June 2006)
7. Assistant professor of family and community medicine in King Abdel Aziz college of medicine. (2006-2007)
8. Associate professor of family and community medicine in King Abdel Aziz college of medicine. (2007-2009)
9. Associate professor in medical education department in King Abdel Aziz college of medicine. (2009-2010)

#### **Past experience:**

##### **\* In the field of maternal health**

1. Attendance of primary training course at Damietta governorate in the field of maternal and child health services (1996)
2. Supervision & participation in training of primary health care staffs as preparatory steps for implementation of family medicine in Egypt in 2002.

##### **\* In the field of child health**

Participation in Polio-eradication campaign in (1999-2002)

##### **\* In the field of general practice**

Working in daily GC outpatient clinic of red helal (1997-1998)  
Working in daily G C outpatient clinic of Gaz Egypt company  
From 2002-2005)

### **In the field of quality assurance**

- \*Member of quality assurance committee in Mansoura faculty of medicine
- \*Writing a proposal for quality assurance and accreditation of the faculty and university in Al-azhar(2006)
- \*Teaching experience for fourth year medical student
- \*Training course for primary health care physician(2002-2004)

## **To Whom It May Concern**

This is to certify that Associate Professor Basem Salama El-Deek has been a symbol of hard multi – task worker during my deanery in

the Faculty of Medicine – King AbdulAziz University; as evidenced by the fore coming achievements and leadership positions:

**LEADERSHIP & ADMINISTRATIVE POSITIONS:**

- Co-chairman, Main Task Force – Committee for Academic Accreditation from the LCME- King Abdul Aziz University (9/2008 – till now)
- Member of Educational Program Subcommittee
- Faculty Subcommittee
- Member, course specifications committee (3/2009 – till now)
- Member, course report committee (3/2009 – till now)

**Membership of Academic Committees:**

- 1- Member of Curriculum Monitoring Committee
- 2- Member of Clinical Skills Module Committee

**SCIENTIFIC ACTIVITIES:**

**CONTEXT (1): QUALITY ASSURANCE of EDUCATION**

1. Setting & implementing an action plan for orientation & training of staff on:
  - Self – assessment culture
  - Setting an internal quality assurance system at the level of departments, units, administration, faculty
  - Formulating “Intended Learning Outcomes” for educational programs & courses
  - Compiling courses specifications & reports
  - Formulating the mission statement and aligning goals and strategic objectives accordingly
2. Assessing compliance of performance to good practice according to the standards.

**CONTEXT (2): Medical Education Development**

\*As Associate Professor, Medical Education Department (5/2009– till now):

### **A – Curriculum Design:**

Planning and implementing relevant courses for health professionals based on rational principles of learning and instruction and reflecting the mission and intended learning outcomes of each faculty:

- Development of Clinical Skills Module for 4<sup>th</sup> Year students
- Design of "Research methodology" for postgraduates
- Design of "Biostatistics " for postgraduates

### **B – Curriculum Analysis:**

Analyzing and critiquing of health professions curricula:

- a- Faculty of Medicine Educational Program
- b- Faculty of Medicine Educational Courses

### **C – Curriculum Evaluation:**

*Evaluating programs and courses through:*

- A-Designing evaluation questionnaires
- B-Proposing an evaluation system for exams

### **CONTEXT (3): Delivered Presentations On:**

- Training sessions on "Formulating sound intended Learning Outcomes & Compiling Course Specifications and report" over the 2<sup>nd</sup> semester 2009 for department & module coordinators in the Faculty of Medicine – King Abdul Aziz University.
- Workshop "How to Moderate a Course/Module Effectively" in Westin Jeddah Hotel on 6/4/2009.
- "Six steps approach of evidence based assessment" presented, during the 1<sup>st</sup> semester of 2010, to

all the departments (basic science and clinical) and modules of the faculty.

Training Courses:

1. Attended “Student Assessment Strategy Workshop” conducted by Dr. Mona Al-Sheikh, the head of the Examination center King Faisal University, Damam and Item Bank administrator (Hong Kong), in 6/2009.
2. Attended "Exam Preparation Course "in collaboration with University Illinois Chicago – on 21-24/3/2009
3. Attended: "Simulated Patient Training Program" in collaboration with university Illinois Chicago – on 25/3/2009 – Faculty of Medicine – King ABDUL Aziz University.

Dr. Adnan Al Mazrooa

Dean, Faculty of Medicine  
King Abdul Aziz University  
28/5/2009
