## **Personal Data**

*Name*

**Mie Ali Ali Mohamed**

*Nationality*

**Egyptian**

*Religion*

**Moslem**

*Date of birth*

**20/6/1972**

*Current  
employment and  
status*

**Assistant prof. of pathology,  
Pathology Department, Mansoura  
University, Egypt**

*Tel. No.*

**00202/0502343344 –0106526205**

*Email*

**[drmieali@yahoo.com](mailto:drmieali@yahoo.com)**

**[mieali@mans.edu.eg](mailto:mieali@mans.edu.eg)**

*ID. NO*

**2720620120082**

*Address(home)*

**Madenate Elsalam, Mosaad abdel Saboor  
street, sixth block number 10, Mansoura,  
Dakahlea governorate, Egypt.**

*Address(work)*

**Pathology Department, Mansoura  
University, 35111 Mansoura, Egypt**

*Dr. Mie Ali Ali Mohamed*

## **Qualifications**

- Bachelor degree of medicine and general surgery (MBBCh). Nov 1997, Very Good with honor degree.
- Master degree basic medical science (Pathology) May 2004, Good.
- MD degree basic medical science (Pathology) April 2008.

## **Language**

*Native* : Arabic

*Foreign* : English

## **Appointment**

**Current appointment:**

Assistant prof. of pathology, Pathology Department, Mansoura University, Egypt August 2013

**Previous appointments:**

- Passed the obligatory training period of one year duration from 1/03/1998 to 28/02/1999.
- Appointed as a general practitioner in the ministry of health from 01/03/1999 to 29/05/1999.
- Demonstrator of Pathology, Pathology Department, Faculty of Medicine, Mansoura University, 30/5/1999 to 13/9/2004.
- Previous Employment: Assistant lecture of Pathology Department, Faculty of medicine, Mansoura University, 14/9/2004 to 24/8/2008.
- lecturer of pathology, 25/8/2008 till 25/8/2013
- Passed the university teacher preparation course.
- Passed 6 courses the faculty and leaders development project.
- Attended the course of Immunohistochemistry and its application, Faculty of medicine, Ain Shams University, Cairo, Egypt (November, 2000).
- Attended the hematology course in Mansoura university, Mansoura, Egypt in collaboration with the department of

*Dr. Mie Ali Ali Mohamed*

pathology and laboratory medicine, Temple university, Philadelphia, USA (September 2005).

- Attended the bone marrow and hematology course in National cancer institute, Faculty of medicine, Cairo university, Egypt (July, 2007)

## **Thesis**

- Prepared a thesis submitted for partial fulfillment of the Master Degree in: “Histopathological study of ulcerative colitis with assessment of proliferation potential and gene alterations”.
- Prepared a thesis for partial fulfillment of the Ph D Degree in: “Evaluation of colorectal carcinoma with microsatellite instability and its prognostic significance”.

## **Publications**

- Evaluation of CXCR4 chemokine receptor as a prognostic marker in colorectal carcinoma. Egyptian Journal of Pathology. July 2011, 31:19–24.
- Role of CK19 and S-100 in Diagnosis of Follicular Variant-Papillary Thyroid Carcinoma with Correlation to FNAC. Benha Medical Journal, Vol (27), No (3) sept,2010,105:122
- Survivin expression in medulloblastoma: a possible marker for survival Pathology&Oncology Research 2012 (DOI) 10.1007/s12253-012-9594-9
- B-catenin and matrix metalloproteinase 7 expression in deep fibromatosis: impact on the local recurrence. Egyptian Journal of Pathology. July 2012,32(1):26-32
- Correlation of survivin and Ki-67 expression with clinicopathological features of gastric carcinoma. Benha Medical Journal, Vol (30), No (1) Jan, 2013:59-72
- Does EGF have a protective role against acetaminophen toxicity in rat kidney or liver? Benha Medical Journal, Vol (30), No (3) Sept, 2011:123-138
- Colchicine Protects Dopaminergic Neurons in a Rat Model

### **Courses /conferences**

- 24th biennial meeting of the international association for the study of liver in collaboration with the African association for the study of liver diseases 7-11 september 2006.
- Attended the lymphoma and bone marrow pathology workshop in the national cancer institute, Cairo university (July 2006).
- The first Annual conference of MERC (Stem cell and Regenerative Medicine). Mansoura, 8/4/2010
- The second Annual conference of MERC ( Nantotechnology and Stem cell transplantation in Regenerative Medicine). Mansoura, 28-29/9/2010

*Dr. Mie Ali Ali Mohamed*

- **Attended XXII Congress of the International Academy of Pathology-Arab Division. December 16-18, 2010 Conrad Hotel, Cairo, Egypt**
- **Attended Mansoura Regenerative medicine program by MERC. Mansoura, 27-28 November 2012**
- **The 4th annual pathology workshop on “updates on gynaecological pathology” January 16th 2013**
- **The annual conference of dep 7- Mansoura University Hospital “Breast problem solving in 2013” 3-4 April, faculty of medicine-Mansoura University.**
- **Breast-Gynecological&immunooncology international cancer conference (2014).**
- **Breast-Gynecological&immunooncology international cancer conference (2015).**
- **Breast-Gynecological&immunooncology international cancer conference (2016).**
- **Breast-Gynecological&immunooncology international cancer conference (2017).**
