(3) Course content:

Subjects	Lectures	Clinical	Laboratory	Field	Total Hours
Foreign bodies in ENT	1	2			3
Facial trauma	2	4			6
Hoarseness of voice	1	2			3

Deafness, ear pain and discharge	1	2			3
Dysphagia	1	2			3
Pharyngitis and sore throat	1	2			3
Epistaxis	2	4			6
Nasal allergy and smell disorders	2	4			6
Dizziness and vertigo	1	2			3
Nasal obstruction and discharge	2	4			6
Stridor and tracheostomy	1	2			3

(4) Teaching methods:

- 4.1 Lectures
- 4.2 Seminars and Conferences
- 4.3: Attendance in outpatient clinic
- 4.4: Attendance of surgical procedures

(5) Assessment methods:

- 5.1: Written exam **for assessment of** knowledge and intellectual skills.
- 5.2: MCQ exam **for assessment of** knowledge and intellectual skills.
- 5.3: clinical exam **for assessment of** professional, practical and transferrable skills.

Assessment schedule:

- Assessment 1:.....week/month:...
- Assessment 2:.....week/month:...
- Assessment 3:.....week/month:...
- Assessment 4:.....week/month:...

Percentage of each Assessment to the total mark:

Written exam: 40 (40%)

MCQ exam:10 (10%)

Clinical exam: 50 (50%)

-Attendance Criteria: Minimum acceptance attendance in each course is 75%

-Log book fulfillment

(6) References of the course:

6.1: Hand books: essentials of otorhinolaryngology

6.2: Text books Scott brown's otorhinolaryngology, Cumming's otorhinolaryngology, Meyer's operative otorhinolaryngology

6.3: Journals: Laryngoscope, otolaryngology head and neck surgery, journal of laryngology and otology, clinical otolaryngology, rhinology,

6.1: Websites: ncbi.nlm.nih.gov,

<http://www.utmb.edu/otoref/grnds/grndsindex.html>

6.1: Others:.....

(7) Facilities and resources mandatory for course completion:

Candidates and their learning are supported in a number of ways:

- Induction course introducing study skills
- Candidates logbook
- Program Specification and Handbooks
- Extensive library and other learning resources
- Computer laboratories with a wide range of software
- Intranet with a wide range of learning support material
- MSc/MD Dissertation Supervisor

Course coordinator: Professor: Asser Abdelraoof Elsharkawy

Head of the department: Professor: Ahmed Ali Eldegwi

Date:

P.S. This specification must be done for each course.
