

# Programme–Courses ILOs Matrix

Course Title/Code	Programme ILOs																															
	A1	A2	A3	A4	A5	A6	A7	A8	A9	A10	a11	A12	A13	A14	A15	A16	A17	A18	A19	A20	A21	A22	A23	A24	a25	A26	A27	A28	A29	A30	A31	
Cancer Biology and immunology	X	X	X	X	X	X	X	X																								
Cancer Epidemiology									X	X	X	X	X																			
Essentials of treatment of cancer														X	X	X	X	X	X	X	X	X	X	X	X							
Health care of cancer patients																											X	X	X	X	X	X
Nutritional science of oncology																																
Surgical anatomy																																
Applied pathology																																
General surgery																																
Surgical oncology																																
Experimental surgery																																
ICU for oncology patients																																
Pain treatments in oncology patients																																
Psychiatry of oncology patients																																
Rehabilitation of																																

Course Title/Code	Programme ILOs

Cancer Biology and immunology																														
Cancer Epidemiology																														
Essentials of treatment of cancer																														
Health care of cancer patients																														
Nutritional science of oncology																														
Surgical anatomy																														
Applied pathology																														
General surgery																														
Surgical oncology	X	X	X	X	X	X	X	X	X																					
Experimental surgery											X	X	X	X	X															
ICU for oncology patients															X	X	X	X	X	X										
Pain treatments in oncology patients																					X	X	X							
Psychiatry of oncology patients																								X	X	X	X			
Rehabilitation of oncology patients																												X	X	X

Course Title/Code	Programme ILOs																												
	B1	B2	B3	B4	B5	B6	B7	B8	B9	B10	B11	B12	B13	B14	B15	B16	B17	B18	B19	B20	B21	B22	B23	B24	B25	B26	B27	B28	B29
Cancer Biology and immunology	X	X																											
Cancer Epidemiology			X	X																									
Essentials of treatment of cancer					X																								
Health care of cancer patients						X	X																						
Nutritional science of oncology								X	X																				
Surgical anatomy										X	X	X																	
Applied pathology													X	X															
General surgery															X	X	X	X											
Surgical oncology															X	X	X		X	X	X								
Experimental surgery																						X							
ICU for oncology patients																							X	X	X				
Pain treatments in oncology patients																										X			
Psychiatry of oncology patients																											X		
Rehabilitation of oncology patients																												X	X

Course Title/Code	Programme ILOs															
	C1	C2	C3	C4	C5	C6	C7	C8	C9	C10	C11	C12	C13	C14	C15	C16
Cancer Biology and immunology																
Cancer Epidemiology																
Essentials of treatment of cancer																
Health care of cancer patients																
Nutritional science of oncology																
Surgical anatomy	X	X														
Applied pathology			X													
General surgery																
Surgical oncology				X	X	X	X	X	X	X	X	X	X	X	X	X
Experimental surgery																
ICU for oncology patients																
Pain treatments in oncology patients																
Psychiatry of oncology patients																
Rehabilitation of oncology patients																

Course Title/Code	Programme ILOs									
	D 1	D 2	D 3	D 4	D 5	D 6	D 7	D 8	D 9	D 10
Cancer Biology and immunology										
Cancer Epidemiology										
Essentials of treatment of cancer										
Health care of cancer patients
