

COURSE SPECIFICATION

(Histology)

Faculty of Medicine- Mansoura University

(A) Administrative information

(1) Programme offering the course.	Orthopediac and traumatology master degree
(2) Department offering the program.	Orthopediac department
(3) Department responsible for teaching the course.	Histology department
(4) Part of the program	First part
(5) Date of approval by the Department`s council.	11.5.2016
(6) Date of last approval of program specification by Faculty council.	9/8/2016
(7) Course title.	Histology course
(8) Course code.	Osur502
(9) Total teaching hours.	7.5 hours

(B) Professional information

(1) Course Aims:

The broad aims of the course are as follows:

This program aims at providing participants with the knowledge and basic skills related to histology specialty, as well as motivating them for research and positively changing their attitude to improve the outcome of the educational process.

(2) Intended Learning Outcomes (ILOs):

A- Knowledge and Understanding

A 1	Recognize the histology of the muscles and bones
-----	--

B- Intellectual skills

B1	Integrate basic histology knowledge with clinical data.
----	---

(3) Course content:

Subjects	Total Teaching Hours	Lecture
.introduction of histology (1)	½ h	1
(2) - connective tissues (;CT cell ,fibers and its types)	1	1
(3)cartilage (hyaline,white,yellowelastic)	1	1
(4)bone ;types,ossification	2	
(5) Joints	1	1
(6) Bone transplantation	1	
(7) Fractures of bone	1	1

(4) Teaching methods:

4.1: Lectures

4.2: Discussion.

(5): Assessment methods:

5.1: Written Exam.

5.2: Oral Exam

Assessment 1. Written Exams Short essay after 6 months from the date of registration to the degree

Assessment 2: Oral Exams after 6 months from the date of registration to the degree

Assessment 3: MCQ continuous assessment exam at the end of the semester

Percentage of each Assessment to the total mark:

written	Oral	MCQ	TOTAL
72	60	18	150

Other assessment without marks:

Assessment of attendance & absenteeism throughout the course

Research assignment to assess general transferable skills, intellectual skills

References of the course:

6.1: **Hand books:** A colored Atlas of Human histology

6.2: **Websites:** Innerbody.com
Google.com

(5) Facilities and resources mandatory for course completion.

- Teaching places (teaching class, teaching halls, teaching laboratory).
- Teaching tools: including screens, computers including CD, data show, projectors, flip charts, white boards, video player, digital video camera, scanner, copier and laser printers.

Course coordinator:

Dr.Khalid Nour

Head of the department:

Prof dr. Hani Elmowafi
