

Work Plan of Critical Care and Emergency Nursing

Department for Academic Year 2023-2024

Vision and Mission

☒ Vision

To be an example of excellence among other critical care & emergency nursing departments through distinguished educational programs, innovative teaching and learning methods, collaborative research and international publication, and community services which meet the health needs of the surrounding society.

☒ Mission

To graduate qualified nurses who can meet the complex needs of critically ill patients and who can compete in the job marketing need of critical care nursing locally and regionally.
