1. CURRENT ADDRESS

Work address	Pharmacognosy Department, Faculty of Pharmacy, Mansoura University, Mansoura 35516 Egypt.
Home address	Block No. 17, Masaken El- Shenawy, Mansoura, Egypt.
Home phone/ mobile	[+20] 50- 2259493, 002-01157557280
E-mail	melneketi@mans.edu.eg monaneketi@gmail.com

2. PERSONAL DATA

Nationality	Egyptian
Place of Birth	Mansoura city, Egypt
Date of Birth	4/8/1975
Language	Arabic: mother language English: writing, Listening, and Speaking (Excellent) International TOEFL CBT and iBT German: Level A.2 (Basic knowledge)
Religion	Muslim
Marital Status	Married

3. EDUCATION

08/2008- 03/2015	Ph.D. in Pharmaceutical Science, Pharmacognosy Faculty of Pharmacy, Mansoura University, Mansoura, Egypt. Dissertation title: "Phytochemical and Biological Study of <i>Aglaia duperreana</i> and of <i>Ceratonia siliqua</i> Endophyte"
03/2000- 5/2008	M.Sc. in Pharmaceutical Science, Pharmacognosy Faculty of Pharmacy, Mansoura University, Mansoura, Egypt. Thesis title: "Pharmacognostical and Forensic Study of Certain Illicit Seizures of Narcotic Drugs Under International Control".
09/1993 - 05/1998	B.Sc. in Pharmaceutical Science Faculty of Pharmacy, Mansoura University, Mansoura, Egypt (Degree very good with honor)

4. EXPERIENCE

Academic positions

- 4/2020- present** Associate Professor in Pharmacognosy Department, Faculty of Pharmacy Mansoura University, Mansoura, Egypt.
- 04/2015 – present** Lecturer in Pharmacognosy Department, Faculty of Pharmacy Mansoura University, Mansoura, Egypt.
- 09/2011 – 07/2012** **Researcher in the Institute of Pharmaceutical Biology and Biotechnology, Heinrich-Heine University, Düsseldorf, Germany**
- 06/2008 - 03/2015** Assistant lecturer in Pharmacognosy Department, Faculty of Pharmacy Mansoura University, Mansoura, Egypt.
- 12/1999- 06/2008** Demonstrator in Pharmacognosy Department, Faculty of Pharmacy, Mansoura University, Mansoura, Egypt.
- 10/1998-12/1999** Pharmacist in Urology and Nephrology center, Mansoura University, Mansoura, Egypt.

Teaching Duties for:

Graduate students:

- **Modern applications of chromatographic analyses** for natural products.
- **Modern methods of spectroscopic analyses and their application** in natural compounds identification and structure elucidation.

Undergraduate students:

2015 - Present

- **Quality assurance of Education**
- **Pharmacognosy and medicinal plants.**
- **Phytochemistry (Chemistry of natural products).**
- **Animal derived drugs**
- **Complementary & Alterantive Medicine.**
- **Pharmaceutical biotechnology** (plant tissue culture and microbial biotransformation).

For both Credit Hour and Clinical Pharmacy Students Programs,
Pharmacognosy Department, Faculty of Pharmacy, Mansoura University,
Mansoura, Egypt.

12/1999 - 2015

Phytochemistry (Labs, Third year pharmacy students)
Pharmacognosy (Labs, medicinal plants for first year pharmacy students)
Applied Pharmacognosy (Labs, for fourth year pharmacy students)
Plant (Labs, General botany and morphology for pre-pharmacy year students)
Clinical Pharmacy program (Labs, **Phytochemistry1** “PG 404” and **Phytochemistry 2** “PG 505)
 In Pharmacognosy Department, Faculty of Pharmacy, Mansoura University,
 Mansoura, Egypt.

Employment and responsibilities

Quality Assurance Activities

- 2018- present** Chairman of quality assurance and accreditation unit (QAU), Faculty of Pharmacy, Mansoura University (from 13 /10/ 2018).
- 2020 - present** Trainer at the University development Center / Faculty and Leadership Development Program (FLDP)/ Mansoura University.
- 2019-2021** Coordinator of the Egypt Award for Government Excellence
- 2017- present** External reviewer at National Authority for Quality Assurance and Accreditation of Education (NAQAAE), Egypt.
- 2015-2018** Vice chairman of quality assurance and accreditation unit (QAU), Faculty of Pharmacy, Mansoura University (from 13 /10/ 2015).
Member of internal auditing committee, Mansoura University (from March 2016).
A member in internal auditing committee, Faculty of Pharmacy, Manosura University (from March 2016).
- 2015- 2018** A member in the e-learning unit "responsible for updating the faculty as well as the pharmacognosy department website", Faculty of Pharmacy, Mansoura University, Mansoura, Egypt.
- 2006- present** A member in "Quality assurance and accreditation unit (QAU), Faculty of Pharmacy, Mansoura University, Mansoura, Egypt.
- 2006- 2009** Participant in the faculty development centers (Faculty of Pharmacy, Mansoura University, Mansoura, Egypt), responsible for the following projects:
1. Monitoring & Evaluation of New Programs Project (**MENPP**),
2. Continuing Improvement and Qualifying for Accreditation Project (**CIQAP**)
- 2001-Present** A member in the team responsible for registering student records in exams and preparing their final results, faculty of pharmacy, Mansoura University.

Student Activity

- 10/2017- till present** **EPSF- mansoura Supervisor:** Egyptian Pharmaceutical Students' Federation Supervisor" in faculty of pharmacy- Mansoura University

Research Skills

- Endophytic fungi; from their isolation from plants, cultivation on different media, extraction of culture media, till isolation and structure elucidation of the bioactive secondary metabolites from the fermentation media extract.

- Isolation and purification of natural products secondary metabolites from plant extracts using different chemical and chromatographic techniques Via, VLC, C.C, preparative TLC, HPLC..etc
- Phytochemical screening of different plant extracts.
- Microscopical examination of plant tissues.
- Structure elucidation of isolated compounds on the basis of spectroscopic (1D and 2D NMR) and spectrometric (mass) experiments.
- Processing of NMR data using MestReNova program.
- HPLC experience (either semi-preparative or analytical HPLC), handling and running linked with computer system control data processing.
- Qualitative and quantitative estimation of narcotic drugs and forensic analysis.
- Handling experimental animals (mice, rats), blood withdrawal through retro-orbital plexus vein, and anesthesia as well as separation of serum.
- Biochemical analysis (ALT & AST determination using colorimetric methods).
- Histopathological investigations (especially for liver tissues) using different stains.

Computer Skills

UNESCO certified **International Computer Driving Licence certificate** (ICDL) which involve the followings: 1-Basic Concepts of Information Technology, 2-Using the Computer and Managing Files, 3-Word Processing, 4-Spread Sheets (Excel), 5-Database (Access), 6-Presentation (PowerPoint), 7-Information and Communication (Internet).

Research interests

- Bioassay-guided isolation of bioactive compounds from natural sources (Plants, Marine organisms as well as endophytic fungi, as a promising source for bio-pharmaceuticals).
- Induction of bioactive secondary metabolites production by endophytic fungi through co-culture with bacteria.
- Structure elucidation of isolated compounds on the basis of spectroscopic (1D and 2D NMR) and spectrometric (mass) experiments.

Research Projects

"Hepatoselective Fibro-suppressive Agents from Natural Products, Farid Badria, Mona El-Neketi, *et al.*..... Funded by U.S.-Egypt Joint Board of Scientific and Technology Cooperation, 2003-2007.

Training Courses / Workshop and Programs

- Training course on "How To Prepare Your Scientific - Id To Apply For A Scientific Award", held by Training and Research Services Office, Faculty of Pharmacy - Mansoura University, on 14 October 2021.
- Workshop on "Basic Level of Assessment for Staff in Health Sector", held by measurement and assessment center - Higher education development projects, on 24/5/2021 – Online
- Advanced and Modern NMR techniques; a workshop held at online by faculty of pharmacy, Mansoura University, on 27-29/3/2021.

- Workshops on (Teaching Excellence in Pharmacy Education Program : 2020); (Egyptian Knowledge Bank April – November 2020)
 - Experiential & Interprofessional Education
 - Assessment, Evaluation, and Continuous Quality Improvement
 - Curriculum Approach & Delivery
 - Developing a Modern Competency Based Pharmacy Program
 - Foundations of Teaching Excellence in Pharmacy Education
- Workshop on "Basic Level of Assessment for Staff in Health Sector", held by measurement and assessment center - Higher education development projects, on 3-4/11/2020 – Online.
- Workshop on "Preparing Multiple Choice Question", held at faculty of pharmacy, Mansoura University, on 9-10/2/2020.
- Workshop on "Research Quality and performance", held by Egyptian Knowledge Bank at faculty of pharmacy, Mansoura University, on 19/11/2019.
- Workshop on " Promoting your research capabilities: The modern knowledge cycle", by Researcher Academy of Campus held at Mansoura University, on Sunday 28 July, 2019.
- Training course "Competency- based learning" held by IDCAS on 15-16 July 2019.
- Application of pharmacy NARS: from content to competency – based National Academic Reference Standards (NARS) Pharmacy Education 2nd Edition - held at faculty of pharmacy, Mansoura University, on 4/2/2019.
- Video-Editing by Camtasia" Workshop, a workshop held at faculty of pharmacy, Mansoura University, on 1/3/2018.
- "Draft Work Program for HORIZON 2020", a workshop held at faculty of medicine, Mansoura University, on 7/11/2017
- "How to present Scientific Papers", a module presented by "DAAD Kairo Akademie", held at the Faculty of Pharmacy, Mansoura University, on 17/9/2015
- "Hands Basic Techniques in cell culture", held at the Medical Technology Center, Medical Research Institute, Alexandria University, (8-10/11/2009).
- Finding funding and writing winning proposal: an overview of the grants arena; Mansoura University; (6/6/2009).
- Video workshop entitled: "How to Write a Competitive Proposal for Framework 7"; Mansoura University; (20/5/2009).
- "NMR for Non- spectroscopists" Part II "FT NMR and 2D-Domain" Faculty of Pharmacy, Mansoura University, (10-11/9/2008),
- "Basics in NMR for non-spectroscopists (from scratch):, Faculty of Pharmacy, Mansoura University (8/2008).
- Microsoft Expression Web Program, Faculty of Pharmacy, Mansoura University (8/2008).
- Basic Life Support Course, Faculty of Pharmacy, Mansoura University (7/2007)
- Clinical pharmacology courses, Mansoura University (7/2006).
- Student Skills Development Program; Cairo University, Egypt; (12/2006). Including the following sessions: Pharmaceutical Marketing, Presentation skills, CV writing, Interviewing skills, Leadership, communication skills, Patient counseling, Emotional Intelligence, Egyptian Career Path and self-Planning.
- Training in Mansoura City Public Pharmacies (1996, 1997).
- Patient Counseling Event, Faculty of Pharmacy, Mansoura University (1997).

Quality Improvement and Skills Development Training Programs at:**Faculty and Leadership Development Program (FLDP)/ University development Center/ Mansoura University:**

- Successful leadership – online (3-4/4/2021).
- Design the personal Websites for Faculty members (7-8/10/2019).
- References Management and Indexed Electronically (2-3/7/2018)
- Design and Production of Electronic Courses (13-14/8/2017)
- Effective Crises Management (6/11/2016, sp. for Academic leaders)
- Financial Affairs (2/11/2016, sp. for Academic leader)
- How to Write a Scientific Paper (11-12/7/2016)
- Mangmening Research Teams (06-07/09/2015, 15 hr)
- University Management (01-02/07/2015, 15 hr)
- Credit hours system (25-26/8/2013, 15 hr)
- Competing for research funds (23-24/6/2013, 15 hr)
- Scientific publishing (16-18/9/2012, 15 hr)
- Conference organization, (FLDP); (2-4/8/2009, 15 hr).
- University Financial and loyal aspects, (FLDP); (21-23/6/2009, 15 hr)
- Micro teaching program, Mansoura University (27/12/2008-6/1/2009, 15 hr).
- Effective presentation skills, (FLDP); (20-22/7/2008, 20h).
- Methods for Scientific Research, (FLDP); (17-20/12/2006, 20 h).
- Effective Communication skills, (FLDP); (25-28/9/2005, 20 hr).
- Time mangement, (FLDP); (27-30/8/2005, 20 hr.).
- Thinking skills, (FLDP); (7-10/8/2005, 20 hr).

Training Programs at National Authority for Quality Assurance and Accreditation of Educational (NAQAAE) and Mansoura University Quality Assurance Center (MUQAC), Mansoura University, Mansoura, Egypt

- Self-evaluation of educational programs (24-26/11/2019).
- Strategic planning (7-8/11/2018).
- National Academic Reference Standards- Pharmacy Education 2nd Edition (20/4/2017).
- Protocols of external review visit: Applied course for HEI (29/2-03/03/2016, 24 hr)
- External Review for H.E Institutes (15/02-17/02/2016, 18hr.)
- Educational Programs and Course Specifications and Evaluation of Learning Outcomes (09/02-11/02/2016, 18hr.).
- Self-Evaluation for Higher Educational Institutes (02/02-04/02/2016, 18 hr.)

Others:

German Course, at volkshochschule, Düsseldorf (02/08/2010 – 17/01/2011) and at Heinrich-Heine University, Düsseldorf, Germany (01/06/2011 – 03/02/2012)

Conferences and Symposiums

- 21 Innovative Research in Pharmacy and Bioscience. The 1st International Conference of the Faculty of Pharmacy, Delta University For Science and Technology, "Isolation and Molecular Docking of Cytotoxic Secondary Metabolites from Two Red Sea Sponges of the Genus *Diacarnus*", held at Cairo, Egypt, November 20-21, 2021 (Oral presentation).
- 20 The 14th International Symposium on the Chemistry of Natural Compounds, " Isolation and Molecular Docking of Cytotoxic Secondary Metabolites from Two Red Sea Sponges of the Genus *Diacarnus*", Tashkent, Uzbekistan, October 7-8, 2021 (online-oral presentation).
- 19 Bioprospecting of Natural Drugs: A Special Insight on Natural Products Against COVID-19: The 6th Conference of Pharmacognosy Department, Faculty of Pharmacy, Mansoura University, Egypt, 23th August, 2021 (poster presentation).
- 18 The 9nd Scientific Conference of Pharmacy Students, held at Faculty of Pharmacy, Mansoura University, August, 2021 (Judgement Commission).
- 17 "New Avenues in Pharmacy & Health Care". Virtual Scientific Conference of Faculty of Pharmacy – Tanta University 2020-, 10th -11th October, 2020 (Oral presentation).
- 16 The 2nd International Conference of Pharmaceutical Sciences MU-PHARM, "A New Depsidone Derivative from Mangrove Sediment Derived Fungus *Lasiodiplodia theobromae*, held at Faculty of Pharmacy, Mansoura University, 9th -12th April, 2019 (poster presentation).
- 15 Hidden Secrets of Natural Products: 5th Conference of Pharmacognosy Department, Faculty of Pharmacy, Mansoura University, Egypt, 31th March, 2019.
14. Anti-tumor Natural Products: 4th Conference of Pharmacognosy Department, "Recoglamides "potent natural anticancer products from *Aglaia* plants" (poster presentation), Faculty of Pharmacy, Mansoura University, Egypt, 16th April, 2018. **Best poster award.**
13. The 3rd International Conference on New Horizons in Basic and Applied Science, " Tetrahydroanthraquinone Derivatives from the Mangrove-Derived Endophytic Fungus *Stemphylium globuliferum*" Hurghada, Egypt, Aug. 5-7, 2017 (Oral presentation); **best oral presentation award.**
12. The Pharmacists' Skills Community: The Scientific Research 101 Program 2017: held at the Mansoura University August 2017; participation by: **oral presentation** "Research Aspects in Pharmacognosy"; as well as **a reviewer** for the students' abstract and their research project proposals.
11. Demo Pharmacy Training, held at Faculty of Pharmacy, Mansoura University, July, 2017, Lecture: "Pharmaceutical Preparations From Natural Sources".
- 10 The 1st International Conference of Pharmaceutical Sciences MU-PHARM, "Metabolites from the Fungal Endophyte *Aspergillus Austroafricanus* in Axenic Culture and in Fungal-Bacterial Mixed Cultures" Co-Cultivation—A Powerful Emerging Tool for Enhancing the Chemical Diversity of Endophytic metabolites, held at Faculty of Pharmacy, Mansoura University, 9-11 April, 2017 (Oral presentation).

9. The 5th International Conference of the Arab Society for Medical Research, "Metabolites from the Fungal Endophyte *Aspergillus Austroafricanus* in Axenic Culture and in Fungal-Bacterial Mixed Cultures ", under the patronage of The League of Arab State, held at Sharm El Sheikh – Egypt, 28-31 October, 2016 (Oral presentation).
8. The Green Chemistry: 3rd Conference of Pharmacognosy Department, "Methods to Induce Microbial Cryptic Metabolites", (Oral presentation) and "Plant Tissue Culture (PTC), a Fascinating Biosystem Technique in the Area of Green Chemistry" (poster presentation), Faculty of Pharmacy, Mansoura University, Egypt, 10th May, 2016. **Best poster award.**
7. The 1st PharmaSchool International Conference of Pharmaceutical Science, "Endophytic fungi: A Fascinating and Prolific Source of Bio-pharmaceutics" Faculty of Pharmacy, Mansoura University, Egypt, 15th&16th February, 2016 (Oral presentation).
6. The 2nd International Conference on New Horizons in Basic and Applied Science, "New Secondary Metabolites from *Penicillium citrinum*, an Endophyte Isolated From *Ceratonia siliqua* Plant" Hurghada, Egypt, Aug. 1-6, 2015 (presenting a poster).
5. The 1st International Conference on New Horizons in Basic and Applied Science, "Alkaloids and Polyketides from *Penicillium citrinum*, an Endophyte Isolated from *Ceratonia siliqua*", Hurghada, Egypt, Sept. 21-23, 2013 (presenting a poster), **best poster award.**
4. Complementary and alternative medicine, The 2nd Conference of Pharmacognosy Department "Magnet and Ozone: Examples For Alternative Medicine" (poster presentation), Pharmacognosy Department, Faculty of Pharmacy, Mansoura University (12/3/2009).
3. Nanotechnology, The 1st Conference of Pharmacognosy Department, "Enhanced bioactivity Of Natural Products by Nanotechnology Application", (poster presentation), Faculty of Pharmacy, Mansoura University (19/11/ 2008).
2. Herbal Medicine symposium; Faculty of Pharmacy, Mansoura University, Mansoura (3/2006).
1. The 2nd Annual International Conference on the Environment and Health Safety, "Heat Shock Protein (HSP 70): A Novel Biomarker for Narcotic and Hepatotoxic Agents", El-Mansoura, Egypt, Apr. 13-15 (2004).
