According to Internal Regulation Bachelor of Pharmacy Program (PharmD):

The student must regularly attend theoretical lectures, panel discussions, practical lessons, field exercises, and assignments. The College Council based on the request of the councils of the specialized scientific departments, prevent the student of applying for the final written exam if his absence exceeds 25% of the total credit hours for each course.

| Course Title | Course Code | Credit Hours | | | Examination Marks | | | | Total Marks | Exam. Hours |

According to Internal Regulation Bachelor of Pharmacy Program (Credit Hours):

10. Attendance:

10.1. Attendance is checked during seminars, tutorials and labs. Students must attend at least 75% of the lectures, tutorials and practical labs. If absence in a course exceed the allowed percentage (%25) during the first ten weeks of the semesters (either excused or un excused) the student will not be allowed to sit the exam of the relevant subject and will carry grade of "F"

According to Internal Regulation Bachelor of Pharmacy Program (Credit Hours):

10. Attendance:

10.1. Attendance is checked during seminars, tutorials and labs. Students must attend at least 75% of the lectures, tutorials and practical labs. If absence in a course exceed the allowed percentage (%25) during the first ten weeks of the semesters (either excused or un excused) the student will not be allowed to sit the exam of the relevant subject and will carry grade of "F"
