Educational Qualifications

- 1. Bachelor of Pharmaceutical Sciences**
 - Date: July / 2004 - Faculty of Pharmacy - Mansoura University - Egypt.
 - Degree of graduation: Excellent with honor (85%)
 - Graduation Ranking: 8thP achiever
- 2. Master in pharmaceutical sciences (Pharmaceutics)**
 - Date: December / 2009 - Faculty of Pharmacy - Mansoura University - Egypt.
 - Master Thesis: Pharmaceutical Studies on Certain Formulations Containing Certain Drugs for Treatment of Periodontal Diseases
- 3. PhD in pharmaceutical sciences (Pharmaceutics)**
 - Date: May / 2016 - Faculty of Pharmacy - Mansoura University - Egypt.
 - PhD Thesis: Pharmaceutical Study on Formulation and Evaluation of Some Antiviral Drugs in Novel Drug Delivery Systems.

Other Qualifications

- Professional in dealing with most computer programs and have the international computer driving license (ICDL).
- Professional in the design and preparation of different drug delivery systems.

Academic Degrees

- Demonstrator in Pharmaceutics Department - Faculty of Pharmacy - Mansoura University - Egypt.
From November / 2004 until January / 2010.
- Assistant lecturer in Pharmaceutics Department - Faculty of Pharmacy - Mansoura University - Egypt.
From January / 2010 until June / 2016.
- Lecturer in the department of pharmaceutics - Faculty of Pharmacy - Mansoura University - Egypt.
From July / 2016 until now.

Published Articles

- Clindamycin Bioadhesive Gel Formulations for Localized Treatment of Periodontitis
E. Ramadan, Th. Borg, Y.M El Hawary, N.M. Saleh
Mansoura Journal of Pharmaceutical Sciences 25 (2), 167-177, 2009.
- Formulation and evaluation of metronidazole bioadhesive matrices for treatment of periodontitis
E Ramadan, TH Borg, YM El Hawary, NM Saleh
Bull Pharm Sci 33, 79-94, 2010.
- Formulation and evaluation of acyclovir microemulsions
E Ramadan, T Borg, GM Abdelghani, NM Saleh
Bulletin of Pharmaceutical Sciences 36, 31-47, 2013.
- Transdermal microneedle-mediated delivery of polymeric lamivudine-loaded nanoparticles
E Ramadan, T Borg, GM Abdelghani, NM Saleh
Journal of Pharmaceutical Technology and Drug Research 5 (1), 1, 2016.

Research Fields and Experience

- Formulation and characterization of different drugs in bioadhesive gels and tablets.
- Preparation and optimization of polymeric nanoparticles as novel drug-carrier.
- Formulation and evaluation of transdermal patches (reservoir and matrix types).
- Preparation and characterization of microemulsions as drug delivery systems.
- Incorporation of different drug into various dosage forms.

- Studying the physical stability of the optimized formulations.
- Application and *in vivo* evaluation of the different formulations on various experimental animals.
- Analysis of some drugs using HPLC.

Seminars and Conferences

- The Seventh International Conference of Pharmaceutical Sciences, University of Assiut, Assiut, Egypt (on 17th and 18th of March 2010).
- The First Scientific Conference of Pharmaceutics Department, Faculty of Pharmacy, University of Mansoura, Mansoura, Egypt (29th July 2010).
- The Second Scientific Conference for Undergraduate Students, Faculty of Pharmacy, University of Mansoura, Egypt (on 26th of March 2013).
- The Third Scientific Conference for Undergraduate Students, Faculty of Pharmacy, University of Mansoura, Egypt (on 26th and 27th of April 2014).
- The Forth Scientific Conference for Undergraduate Students, Faculty of Pharmacy, University of Mansoura, Egypt (on 5th and 6th of April 2015).
- The Fifth Scientific Conference for Undergraduate Students, Faculty of Pharmacy, University of Mansoura, Egypt (on 12th and 13th of November 2016).
- The First PharmaSchool International Conference of Pharmaceutical Sciences, University of Mansoura, Egypt (on 15th and 16th of February 2016).
- The FUE Forth International Conference of Pharmaceutical Sciences, New Cairo, Egypt (on 31st of January to 2nd of February 2017).
- The Third Scientific Conference of Pharmaceutics Department, Faculty of Pharmacy at the University of Mansoura, Mansoura, Egypt (12th February 2017).
- The MU-PHARM Frist International Conference of Pharmaceutical Sciences, Faculty of Pharmacy, University of Mansoura, Mansoura, Egypt (on 9th to 10th April 2017).
- Scientific Research 101 Competition for Undergraduate Students, Pharmacists' Skill Community, Misr University for Science and Technology, 6th of October City, Egypt (on 26th August 2017).

Teaching Experiences

- Teaching different courses such as Pharmacy legislations, Biopharmaceutics, Pharmacokinetics, Cosmetic preparations, Physical Pharmacy for undergraduate students.
- Teaching different courses such as Biopharmaceutics, Pharmacokinetics and Pharmacy practice for Clinical Pharmacy diploma and Master postgraduate students.
- Teaching practical courses of pharmaceutics, preparation of liquid, semisolid and solid dosage forms, physical pharmacy, community pharmacy, cosmetic preparations, biopharmaceutics and pharmacokinetics to undergraduate students and postgraduate students in different programs.
- Conducting lectures using modern presentation techniques.

Sessions

- Attended a number of training programs in the FLDP project (Faculty and Leadership Development Project) in the fields of;
 - Thinking skills (7-10 August 2005).
 - Time management and work pressure (14-17 August 2005).
 - Communication skills (3-6 September 2005).
 - Organizing scientific conferences (27-29 December 2009).
 - Financial and legal measures of the academic aspects (27-29 December 2009).
 - The ethics of scientific research (23-26 January 2011).
 - Credit hour system (20-22 May 2012).
 - Effective Presentation (6-8 January 2013).
 - The behavior of the profession (12-13 May 2013).
 - Strategic Planning (14-15 July 2013).
 - Scientific Publications (15-16 December 2013).
 - Scientific research engines and universities ranking methods (12-13 December 2016).
 - Preparation and design of e-exams (21-22 May 2017).
- Attended a session on "the References management programs (Endenote)" (2-6 February 2014).
- Attended a session on "Scholar preparation" (17-21 June 2012).
