

CURRICULUM VITAE

PERSONAL:

Name: Ahmed Ramadan Abdelfattah el-Sheakh.
Position: Lecturer of Pharmacology and Toxicology.
Address: Pharmacology and Toxicology Department,
Faculty of Pharmacy,
Mansoura University,
Mansoura, Egypt.
P.O. Box 35516.
(+20-1) 020245555 (Mobile)
E-Mail: aelsheakhg@gmail.com.
a_ramadan@mans.edu.eg

Date of Birth: February 8, 1987.

Place of Birth: Mansoura, Egypt.

EDUCATION:

Ph.D (Pharmacology and toxicology), 2015:

University of Mansoura, Mansoura, Egypt.

Dissertation: "Effect of flavocoxid and Allicin on some inflammatory markers in Atherosclerosis and Cancer"

M.Sc. (Pharmacology and toxicology), 2012:

University of Mansoura, Mansoura, Egypt.

Dissertation: "Cardiovascular vascular effect of ginkgo biloba extract "experimental study"."

B.Sc. (Pharmaceutical Sciences), 2008:

Faculty of Pharmacy, University of Mansoura, Mansoura, Egypt. Excellent, High Honor.

EMPLOYMENT AND RESPONSILITIES:

2008-2012	Demonstrator in the Pharmacology Dept., Faculty of Pharmacy, Mansoura University, Egypt.
2012-2015	Assistant lecturer in the Pharmacology Dept., Faculty of Pharmacy, Mansoura University, Egypt.
2015-current	lecturer in the Pharmacology Dept., Faculty of Pharmacy, Mansoura University, Egypt

TEACHING EXPERIENCE:

Pharmacology and toxicology Chemistry courses for undergraduate Students.

a. Undergraduate

- 1. Pharmacology 2:** A standard course offered to the 4th level clinical pharmacy,. Emphasis is on drugs acting on respiratory , gastrointestinal, .
- 2. Toxicology:** A standard course offered to the fourth year class, which deals with toxin diagnosis and treatment.
- 3.**
- 4. Medical terminology:** A standard course offered to first level Faculty of Pharmacy

b. Post Graduate:

- 1. Advanced Pharmacotherapeutics I :** A standard course offered to Pharma D program
- 2. Drug Interaction: in Clinical Pharmacy Diploma**
- 3. Basic and clinical Toxicology: in Toxicology and forensic analysis Diploma**
- 4. Drug evaluation: In Pharmacology master degree program**
- 5. Physiology : In Biochemistry diploma**

RESEARCH EXPERIENCE:

- investigate the molecular mechanisms involved in Cardiovascular complications and Atherosclerosis
- Effect of different drug on Ehrlich induced solid tumor

- Effect of different drug on Ulcerative colitis
- Effect of different drug on Ulcer
- Effect of different drug on Psoriasis
- Effect of different drug on
- During my academic career, I worked on the inflammatory pathways involving in many diseases (atherosclerosis and cancer) of. In addition, there is another research on cholesterol induced atherosclerosis that I participated in. I have a technical knowledge of Immunohistochemistry and isolated heart. In addition, I have the expertise in the use of the physiograph to investigate the vascular functions of different blood vessels.

MEMBERSHIPS:

1. The Egyptian Syndicate of Pharmacists since 2008.

Peer reviewed publications:

- 1. Antioxidant and anti-inflammatory effects of flavocoxid in high cholesterol fed rabbits**

AR Elsheakh ,HA Ghoniem ,GM suddek ,ESM Ammar

Naunyn-Schmiedberg's archives of pharmacology ,1-12,2015-11-14

- 2. Attenuation of oxidative stress , inflammation and endothelial dysfunction in hypercholesteremic rabbit by allicin**

AR Elsheakh ,HA Ghoniem ,GM suddek ,ESM Ammar

Canadian Journal of physiology and Pharmacology ,2015

- 3. Effect of Gingko biloba extract on the experimentally –induced arrhythmia and angina**

Ahmed.R Elsheakh*, Nadia Y.Helali, Shehta A. Said, Nareman A.Gamiel and Hassan A.ELkashef

Mansoura pharmaceutical sciencee , Egypt , 7-2012

Research projects in progress:

- 1- Effect of different formulation of anticancer drugs on solid tumors induced by Ehrlich carcinoma cells in mice
- 2- Effect of some drugs on cholesterol rich diet induced atherosclerosis.
- 3- Effect of Naringenin on Ulcerative colitis
- 4- Effect of Flavocoxid on liver inflammation
- 5- Effect of flavocoxid on Cisplatin induced nephrotoxicity

WORKSHOP ATTENDANCE

1. **“Legal Aspects in Universities”**, Training course, Mansoura University, Egypt.
2. **“Crisis Management”**, Training course, Mansoura University, Egypt.
3. **“The Financial Aspects in Universities”**, Training course, Mansoura University, Egypt.
4. **“Course Specifications of Postgraduate Courses”**, Workshop, May 15, 2016, Faculty of Pharmacy, Mansoura University, Mansoura, Egypt.
5. **“Strategic Planning”** Workshop, March 9, 2016, Faculty of Pharmacy, Mansoura University, Mansoura, Egypt.
6. **“How to write a scientific article”**, Training course, Mansoura University, Egypt.
7. **“Strategic Planning”**, Training course, Mansoura University, Egypt.
8. **“Moddle Management”**, Workshop, December 1, 2015, Faculty of Pharmacy, Mansoura University, Egypt.

“Rubric System for Students Assessment”, Training Course, Faculty of Pharmacy, Mansoura University, Egypt.
9. **“Application of the academic standards in the educational program”** Training course, Mansoura University, Egypt.
10. **“Administrative Management”** Training course, Mansoura University, Egypt.

11. **“Credit Hours System”** Training course, Mansoura University, Egypt.
12. **“The effective teaching skills”** Training course, Mansoura University, Egypt.
13. **“Development of Pharmacists Career”** Workshop, October 13, 2008, Faculty of Pharmacy, Mansoura University, Egypt.
14. **“Research team coordination”** Training course,. Mansoura University, Egypt.
15. **“Effective Teaching”** Training course, Mansoura University, Egypt.
16. **“Profession Ethics”** Training course. Mansoura University, Egypt.
17. **“Thinking Skills”** Training course, Mansoura University, Egypt.
18. **“Effective Communication Skills”** Training course, Mansoura University, Egypt.

ACTIVITIES RELATED TO COMMUNITY SERVICES

- 1- Member of **Community Services and Environmental Development**, Faculty of Mansoura, Mansoura University, Mansoura, Egypt, October 2016 till now.
- 2- Member at the **Public Relations Committee**, Faculty of Mansoura, Mansoura University, Mansoura, Egypt, October 2016 till now.
- 3- Member of the **Professional Orientation Committee**, Faculty of Mansoura, Mansoura University, Mansoura, Egypt, October 2016 till now.
- 4- Organizer and speaker of career orientation program, faculty of pharmacy Mansoura university, October 2016
- 5- Speaker and Judge at Patient counseling campaign organized by EPSF, faculty of pharmacy Mansoura university, November 2016 Mansoura university
- 6- Speaker in IPSF -EMRO international Conference organized by EPSF, Cairo, Egypt (April 106)

- 7- Member in the organization committee and main presenter of Student Graduation Ceremony 2006-2007-2008-2009, Faculty of Pharmacy, Mansoura University, Egypt.
- 8- Main organizer at Job fair held in faculty of pharmacy Mansoura university from 2010 till now
- 9- Member in the organization committee of third Job fair in Mansoura university
- 10- Member of Student communication committee at Mansoura university
- 11- Contribution in preparation of the course specification and course reports of the master degree courses of pharmaceutical sciences offered by the department of Medicinal Chemistry, Faculty of Pharmacy, Mansoura University. (2015-2016).
- 12- Sharing in stating the "Mission and Vision of the Faculty of Pharmacy" as an activity of the CIQAP project, Faculty of Pharmacy, Mansoura University. (2015-2016)
- 13- Main Organizer of fifth student scientific conference , faculty of Pharmacy , Mansoura university (November 2016)
