Snorkeling and Diving

Hurghada is a beach resort town stretching some 40km along Egypt's Red Sea coast. It's renowned for scuba diving, and has numerous dive shops and schools in its modern Sekalla district. There are many restaurants, bars and nightclubs, while the old town, El Dahar, is home to traditional Egyptian coffee shops and souks. Hurghada's long stretch of sandy beach is lined with resort hotels.

Stunning coral reefs and turquoise waters perfect for windsurfing have made Hurghada, a busy resort town. Within easy reach of the stunning Giftun Islands and the Eastern Arabian Desert, Hurghada has seen enormous amounts of development in the past decade—and yes, it does seem overrun with tourists at times. But it's a relatively easy beach escape for Europeans, and some of the world's best diving and snorkeling sites are just offshore. Walk or catch a cab to explore the old quarter, El Dahar.
