Invitation

You are warmly invited to participate in the *10th international conference on Chemistry and its role in development (10ICCRD)*, to be held at **Mansoura University-Sharm El-Sheikh** Egypt March 15-19, 2009.

We have been fortunate to get outstanding scientists from industry, universities and research institutes to highlight recent progress in the different aspects of chemistry as plenary lectures, oral or posters presentation dealing with ongoing research. We cordially welcome you to experience all these and have an informative and enjoyable time in Egypt. More details will be provided in the second announcement.

Scientific Program

Call for papers

Abstract for posters and oral presentations must be submitted electronically through the e-mail. A template, to which all abstracts must conform, is available at the website (www.mans.edu.eg): abstracts not conforming to the format or length of the template will be rejected. Upon acceptance of the abstract, the session organizer will assign contribution to oral or poster presentation.

Conference Topics

Plenary lectures, Oral and Poster sessions are planned on the following topics:

Session A: Analytical & Inorganic Chemistry

Topics will include:

- Air and Water Pollution
- Chromatography
- Metal Complexes
- Pre-concentration and Separation
- Potentiometry
- Speciation
- Thermal Analysis

Organizer of Session A : Prof. Sahar Mostafa
(saharmostafa@mans.edu.eg)

Session B: Physical Chemistry

Topics will include:

- Computational Chemistry
- Corrosion science
- Catalysis and Surface Chemistry
- Electrochemistry
- Fuel Cells Technology
- Kinetics and Thermodynamic
- Spectroscopy
- Nanocatalysis

Organizer of Session B : Dr. Abd El-Fatah Ouf (abdmouf@mans.edu.eg)

Session C: Organic Chemistry

Topics will include:

- Chemistry of Dyes
- Heterocyclic Chemistry
- Natural Products Chemistry
- Organic Synthesis
- Organometallic Chemistry
- Physical Organic Chemistry

Organizer of Session : Dr. Ebrahim Abdel – Galil
(msebrahim2002@mans.edu.eg)

Session D: Applied Chemistry

Topics will include:

- Fuel Chemistry
- Industrial and Engineering
- Petroleum Chemistry
- Polymer Chemistry
- Radiation Chemistry
- Nano Technology

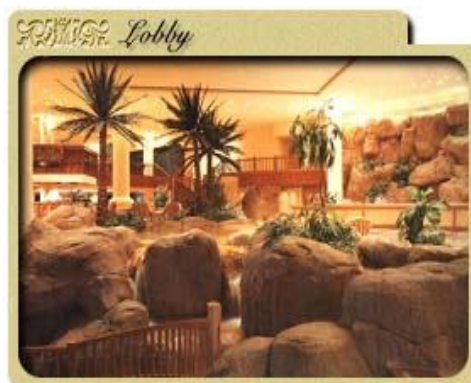

Organizer of Session D : Dr. Issam Gabr (issam_gabr@yahoo.com)

Session E: Biochemistry

Topics will include:

- Agricultural Chemistry
- Biochemistry
- Chemical Health and Safety
- Cosmetic and Pharmaceutical Chemistry
- Enzymology
- Food Chemistry
- Immunochemistry
- Medicinal Chemistry
- Microbial and Biochemical Technology

Organizer of Session E : Dr. Ahmed El-Sokkary
(aelsokkary@mans.edu.eg)

For General informations

Registration Fees

Egyptian

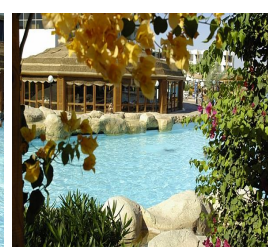

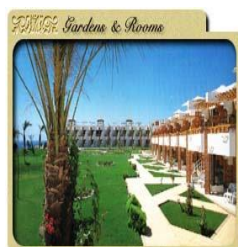

University staff members*	Postgraduate students*	Accompany persons
2200 L.E.	1100 L.E.	700 L.E.

*50% discount for staff members at Egyptian Universities and Research Centers.

The fees including full accommodation, publications in the proceedings of the conference.

Instructions for authors

Submissions should reach 10 ICCRD no later than May, 2008. One-page abstract of oral or poster contributions must be submitted in electronic form via e-mail to the corresponding session organizer. The submitted abstract will be reviewed and the authors will be notified by November, 2008.

The author is required to provide the following information:

- Title of the paper
- Presenting authors data: postal address, phone and e-mail
- Corresponding author data: : postal address, phone and e-mail (more than one author)
- Symposium session that you will submit your paper

For your convenience, we strongly recommend you to use a properly formatted MS-Word template that you can download. Please click [here](#) to open it.

The detailed information on the proper format of the document is as follow:

- Paper Size A4 (21.0 x 29.7 cm)
- Margins
 - Top: 25.4mm
 - Bottom: 25.4mm
 - Sides: 31.7mm
- **Title:** Times14pt , bold, centered with the first letter in each word capitalized
 - (leave on-line space)
- **Author(s):** Times 12pt with initials first, Justified (presenting author Bold and corresponding author with an asterisk and others)
- **Affiliation(s):** Times10pt, *Italics*, Justified, Single line space(including the postal address and E-mail address (leave one line space)
- **Abstract:** Times 12pt justified, one and half line-space (leaving no space between the paragraphs
- **For full papers submission**
- **Body Text:** Times 12pt justified, one and half line-space (leaving no space between the paragraphs

Transportation

From outside Egypt

There are many international direct airlines to Sharm El-Sheikh international airport.

From Cairo

Buses, Limousine cars as well as domestic flights are available

Conference Language

English is the official language of the plenary lectures, papers and posters. No translations will be provided.

Climate

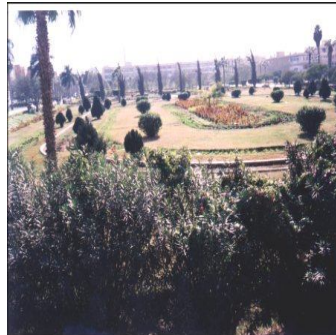

Sharm El-Sheikh has a hot and dry weather. However, there are significant differences in temperature between day and night, with a temperature in the range 17-29 °C during March.

Mansoura

Mansoura is one of the biggest cities in the middle of delta of Egypt but receives very few tourists. It has a good reputal university and advanced medical Centers.

Among the historic sights of the town, the most famous is the museum of [Dar Ibn Lockman](#), the house where Louis IX, King of France, was captured and imprisoned in the seventh Crusade.

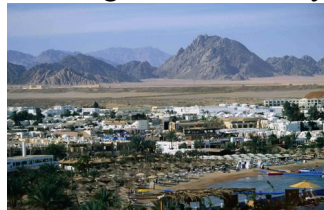

M Hassan

Sharm

The Sinai Peninsula is a remote desert mountain range. The rocky Mountains are parted from the red sea by a flat desert strip. This combination of desert and sea is an incredible sight and makes you believe you are on a different planet.

Sharm El-Sheikh is one of the most attractive tourist destinations in Egypt. It has one of the finest diving spots in the world, a trip into the desert is one unforgettable adventure.

Exhibition of Chemical Products

- Cosmetics
- Painting
- Textile & Dying
- Petrochemicals
- Others
