

Job Vacancy !!

Brooke Hospital for Animals-Egypt

We aim to alleviate pain and suffering for the working equine

We are looking for 2 influencer “Veterinarians” based in “Mansoura”

What are you going to do?

- Lead a well-trained team of a worker & a driver to provide high quality veterinary service
- Lead a group of rural guides to improve community engagement awareness and
- Improve animal welfare practices via building the capacity of equine holders and engage local community leaders,
- Participate in planning, implementation and evaluation of Brooke initiatives.

Who we are looking for?

An energetic veterinarian who;

- Manage multi priorities, develop own skills and self-motivated
- Strong verbal and written communication skills in English and Arabic
- Good MS Office work knowledge
- Adapt with the nature of the work, which requires:
 - o Physical effort ... be active and in good fitness
 - o Work in remote areas and responsible for the safety of own team
- Passionate, animal lover and has affinity with the charitable goal of Brooke Egypt

If you can work as a team ... mobilize others ... wish to be a part of the great work we do! 🙌
